Board sets levies

Municipal contributions up 10.5 %

Education levies to municipalities will rise an average of 10.5 per cent this year to meet the local portion of the board's 1982 budget of \$6,738,928.

The budget is up 13.6 per cent over last year, when the board spent \$5,934,610, but a 16.5 per cent increase in provincial grant support has helped keep levy increases to local municipalities down.

Levies were approved by the board last Tuesday, a month after the 1981 financial statement was presented to the board by its auditors.

Provincial grant support will increase to \$2,639,403 in 1982, some \$378,927 more than last year. Main increase is for special education,

which is receiving new emphasis under a recently passed provincial Bill 82.

Municipal taxpayers will provide \$3,787,843 this year, \$359,673 or 10.5 per cent more than last year.

Other revenue collected by the board through property rental, tuition fees from other boards, and support for Children's Aid Society and Browndale youngsters, will amount to \$398,873 in 1982, or 5.2 per cent more than the board received last year.

Anson, Hindon and Minden's share of the overall 1982 budget has been set at \$756,280, 10.2 per cent more than in 1981.

Cardiff taxpayers will provide \$191,276, 10.1 per cent more than last year.

Dysart et al's requisition of \$1,169,909 is 9.7 per cent higher than last year, the smallest individual increase to local property owners.

Glamorgan's levy is up 11 per cent over 1981, to \$241,073.

Lutterworth's contribution to the budget will increase 10.7 per cent, to \$284,395.

Monmouth property owners will experience a 13.4 per cent increase in the education portion of their taxes to meet the township's requisition of \$156,997.

Sherborne, McClintock and Livingstone taxpayers will pay an additional 10.4 per cent to raise the township's \$347,626 share of the board's budget.

Snowdon's levy is up 10.9 per cent, to \$126,706.

Stanhope property owners will contribute an additional 11.2 per cent this year, with the total requisition set at \$452,143.

Biggest single increase is for the Improvement District of Bicroft, where the levy will rise by 13.7 per cent to \$61,438.

Objections in on Minden by-law

Anson, Hindon and Minden council has received approximately 50 objections to its new comprehensive zoning by-law 82-11.

The last day for objections from ratepayers was April 30.

In an effort to make an Ontario Municipal Board (OMB) hearing as brief and simple as possible, council has attempted to deal with many of the objections. After a review of the by-law at council's regular meeting last Wednesday evening, nearly three-quarters of the objections were eliminated. Clerk Elinor Burke said in a telephone interview Tuesday that most of the remaining objections deal primarily with individual concerns on private property zoning.

Council is expected to announce the date of a public meeting to deal with the objections. A date for the OMB hearing has not yet been set.

The action was fast and the cheers were loud last Friday as Haliburton Highlands Secondary School students took to the track to compete in the school's

annual field day. A total of 16 records were set under ideal weather conditions. For more pictures and complete results, see pages six and seven.

Board, parents still at odds

Compromise rejected, decision remains unchanged

A solution appears no closer in the dispute between the Haliburton County Board of Education and parents of Grade 2 students at Victoria Street School.

The board has passed a motion to move next year's Grade 3 class from Victoria Street School to the senior elementary school, but par-

ents believe the decision is ill-considered, and are determined to have it reversed.

At a meeting last Tuesday, both sides argued the point, but failed to reach a compromise.

A committee of Dysart trustees met on April 20 with representatives of parents to try to hammer out a compromise, but when it was presented last Tuesday night, the parents rejected it.

Trustee Nancy Stinson told the board that the committee sought to appease parents' concerns by proposing a number of concessions, including a separate playground area for the Grade 3 youngsters, more outside

play equipment geared to their needs, individual consultation with parents on placement of their children, continuation of the vocal music program taught by Bill Glidden, and the presence of a primary special education teacher.

But a parents' committee of Jane Heyes, Janet O'Neill, Lynn Storey and Dawn Brohman objected to the compromise attempt, noting in a letter to the Dysart trustees that the committee "did not have a mandate to accept the move, or to bargain".

Parents expected trustees Paul Wilson, Derrell Stamp, Nancy Stinson and Len Salvatori to represent them in talks with the board, but that did not happen, Jane Heyes

told the meeting last Tuesday. Trustee Nancy Stinson noted that the plans to accommodate the Grade 3 students at the senior elementary school were a means of responding to parents' concerns.

But Heyes reiterated that "the majority of parents do not want the move" and therefore are not prepared to compromise.

Parents committee member Janet O'Neill called on the board to reverse its decision, saying the matter is not closed.

"The thing has not been discussed to the extent that it should", O'Neill said, adding the meeting last Tuesday was "unproductive".

More research is needed on the impact of the move, parents told the board, claiming that it is "unprecedented" to break up the Kindergarten through Grade 3 primary unit.

The parents also maintained that school principal Ruth Gorrie and Victoria Street teachers were against the move, but could not make their feelings known to the board for "political" reasons.

But board chairman Cheryl Murdoch countered that teachers and principals are free to make presentations to the board on educational matters at any time. Murdoch also objected to one parent's claim that the well-being of the youngsters was being forgotten amid political wrangling.

"I object to the implication that (the issue) is strictly political" Murdoch said, adding that the board has "no intention of putting kids in a lesser learning situation". Please turn to Page 3

final year of the primary program in a primary school environment, parental involvement programs, the vocal music program, playground equipment geared to the needs of the youngsters, and the fact that the Rails' End Gallery and other educational resources are within walking distance of Victoria Street School.

"As far as we're concerned, they outweigh the advantages" the board sees in moving the students, Heyes said.

More research is needed on the impact of the move, parents told the board, claiming that it is "unprecedented" to break up the Kindergarten through Grade 3 primary unit.

The parents also maintained that school principal Ruth Gorrie and Victoria Street teachers were against the move, but could not make their feelings known to the board for "political" reasons.

Senior students from Archie Stouffer public school in Minden were among the musicians who entertained a large audience at the annual Fun Night in Haliburton last Thursday. Proceeds from the event went to the local chapter of the association for children with learning disabilities.

Public to get hearing on zoning by-law

by SUE COOPER
Staff Reporter

After a review of comprehensive zoning by-law 82-11, Anson, Hindon and Minden council wants another public meeting to deal with objections to the document before an Ontario Municipal Board (OMB) hearing is scheduled.

Councillors agreed, at their regular meeting last Wednesday evening, that a previously-promised public meeting should be held to outline suggested changes to the by-law. Deputy-reeve Doug Pritchard, acting reeve in Lloyd Walker's absence, said a date should not be set until the reeve returns from holidays.

The by-law, released to the

ratepayers for approval in early April, will be sent to the OMB along with ratepayers' objections. Council hopes to correct most problems in the document before the board hearing.

Council examined the by-law, page by page, under the guidance of councillor Ed Pergolas last Wednesday. Pergolas told the other members he had met with clerk Elinor Burke, by-law enforcement officer Dick Schell and Minden Justice of the Peace, Dean Elliott to discover any loopholes or errors.

Beginning on page one, Pergolas suggested that descriptions of Residential third, fourth and fifth density be clarified. Qualifying statements that an R3 be

located on a publicly maintained road, an R4 must have access within a half a kilometre of a public road and R5 zoning would be located more than a half a kilometre from a public road were added. Pergolas also suggested council ask Tony Holmes of Proctor and Redfern, the consultant who prepared the document, if apartments and maisonettes were restricted to R2 zones, except if incorporated above a business or existing house. Only one R2 zone, the location of the senior citizens apartments, is zoned in the village.

While the consultant will be asked to provide clarification at the next meeting, Pergolas said council must alter other zoning state-

ments. Included in those alterations are clauses which allow continuation of existing uses. In the document's present form, the township cannot stop a legal non-conforming use even if that use is interrupted for a considerable length of time, Pergolas said.

Councillor Lyle McKnight, agreeing with Pergolas, explained the wording had been amended in the present by-law 14-67 to guard against a similar problem. Instead of allowing property owners to "continue" legal non-conforming zoning use, McKnight suggested it should read like the old by-law that stated "continued use". Councillor Larry Cummins and Pergolas suggested pro-

Housing group set

Committee working to incorporate

by SUE COOPER
Staff Reporter

An eight member joint housing committee, representing Anson, Hindon and Minden, Lutterworth and Stanhope Townships has been formed to help establish family and senior citizen housing in the village of Minden. The group, which is working towards incorporation, was briefed about housing corporation responsibilities at an inaugural meeting, last Thursday evening.

Bern Petker, of the Ministry of Municipal Affairs and Housing told the fledgling committee it should work toward a quick incorporation, choose a suitable name, decide on the type of housing it wishes to provide and look for prospective building lots or existing housing in the village. During the third joint meeting between the townships, the executive of the proposed corporation was elected.

Ed Pergolas, councillor for Anson, Hindon and Minden, was named chairman; Bill Prentice, Lutterworth councillor, vice chairman; Gerald Bain, Stanhope clerk, secretary; Al Mayo, manager of Minden Toronto - Dominion Bank, treasurer. Other members of the board are Jim Harrison, Stanhope reeve; Alf Wickens, property consultant; Tony Samerillo, building consultant, and lawyer Don Finn.

After the elections, Petker explained briefly how the project will operate. All decisions will be made by the committee while the ministry will monitor activities and provide advice to the members. First, he suggested the three township councils pass a resolution backing the executive of the new corporation. He also suggested the councils be asked for input into the rules and regulations they would like to see instituted in the corporation's governing by-law. Once formed, the corporation will be a separate entity from the municipalities.

At this time, members of the board also would choose a name for the corporation. Petker suggested common names such as the town name should be avoided since many other companies use the name and getting clearance to use it could slow down the incorporation process.

As well, committee members Wickens and Samerillo will begin to search for prospective sites in the village. Minden was chosen as the location of the project since water and sewers are available.

The committee has not confirmed details of its first project, but Petker advised against incorporating both a seniors' project and family project in the first attempt.

Petker outlined the financial arrangement that will make the committee a viable corporation. The municipalities will not be responsible for the operation of the corporation and no local tax dollars will be required to operate it. Once incorporated, the committee can borrow funds from any lending organization but it will not be hampered by high interest rates. A program designed by the federal government reduces the interest rate charges to two per cent per year. Once a mortgage is arranged the provincial government will certify it 100 per cent, Petker said. Rents will be set to pay for the buildings with rent-geared-to-income apartments being subsidized by the provincial government. Only 25 per cent of housing built or purchased can be rent-geared-to-income family accommodation while 50 per cent of seniors housing can be subsidized by the province. The corporation receives the full rental amount. Initially the corporation will qualify for a minimum grant of \$3,000 based on the population of the three townships and if monies are needed before the mortgage is arranged, the corporation may borrow 1.75 per cent of the approved capital cost of the project.

Board, HHSS teachers settle 1982-83 contract

Haliburton County's secondary school teachers will receive an 11.5 per cent salary increase in the 1982-83 school year under an agreement ratified by the board of education last Tuesday night.

The two sides reached a settlement after only two meetings and eight hours of negotiations, the quickest an agreement has been hammered out in several years.

The 11.5 per cent increase will apply across the grid. Secondary school teachers' salaries will range from \$19,290 for a first year teacher with minimum qual-

ifications to \$41,255 for a teacher with maximum qualifications and 11 years teaching experience.

Allowances for headships were also increased in the new agreement. Full department heads will receive a responsibility allowance of \$2,600 on top of their regular salary in 1982-83, while minor heads will be paid an additional \$2000.

The board's subsidization of teachers' Ontario Health Insurance Plan was also increased from 20.5 per cent to 75 per cent.

All other benefits remain unchanged in the new contract.

Grade one students won first prize in the choir competition at the North Hastings Music Festival, last week. Members of the choir are, back row, left to right: Ryan Stinson, Sajo Longworth, Chris Whiteside, Shelly Lake, Skye Austen, Andrea Barry, Michael Morrison, Katharine Woods. Middle row:

Leanne McPhail, Troy Pearson, Jocelyn Magee, Michael Ellis, Dawn Hebert, Brent Hargreaves, Keri Castle, Michelle Douglas, Jenny Smith. Front row: Mark Brohm, John Smith, Sonja Fluegal, Danny Chumbley, Greg Stamp, Michelle Simms and Scott Bird.

Briefly...

Minden youths charged

Three Minden area youths have been charged with break, enter and theft and possession of stolen property following a breakin at Minden Pro Hardware.

Store owner Bob McBrien reported the breakin and the theft of merchandise valued at \$1000 early Monday morning.

Investigation led to the arrest of the three youths Monday night. Charged in connection with the incident are Randy Sawyer, 18, Paul Upton, 16, and Doug Moffat, 16.

The three were also charged with a recent breakin at the Health Food Store in Minden and with a series of breakins at cottages on Mountain and Bear Lakes.

Also charged with some of the cottage breakins are Dale Ripley, 16, of the Minden area, and a juvenile.

Dog causes accident

Animals played a part in three motor vehicle accidents around the county in the past few days.

On Friday, a Belleville man, Robert Gordon Yearwood, 25, parked his pickup truck with trailer attached on a downgrade at the Dorset Lookout Tower.

While Yearwood was outside the vehicle, his large pet dog apparently knocked the gearshift into neutral. The truck rolled down the hill, over a ditch and into a tree.

Damage to the truck was estimated at \$4000. A 1967 Mustang which had been on the trailer received \$1000 damage.

Police note that the dog was licensed, but not to drive.

On Saturday, a 16 year old Minden Township youth escaped injury when he swerved his vehicle to avoid a rabbit on the Blairhampton Road and lost control. The vehicle entered the ditch, sustaining an estimated \$2000 damage.

Driver Andrew Shapiera was unharmed.

On Sunday, a Haliburton man, Roy Russell Breen, 51, was travelling on the Buckhorn Road when he struck and killed a deer, damaging his vehicle.

Breen was not injured in the mishap.

Murder conviction handed down

One of three men accused of murdering a man who was found tied to a tree in Snowdon Township last summer has been convicted of murder. Austin William Lochhead, 19, was sentenced to life imprisonment. He will not be eligible for parole for at least 10 years.

Two men accused of the crime along with Lochhead are currently undergoing trial by judge and jury.

Motorcycle mishap injures youth

A Lochlin man was injured Saturday when his motorcycle went out of control on South Lake Road.

Kelly A. Young was taken by ambulance to Minden Red Cross Hospital where he was treated for hip and ankle injuries.

Police get new tool

Minden OPP have a new weapon in their fight to nab drivers who speed on area highways. A special cruiser, which is black and white but has not roof lights, has been assigned to the detachment, and will be used daily throughout the county.

It is equipped with a radar set capable of being used while the vehicle is in motion.

Fitness is important

perty owners should be given at least a 30 day grace period so buildings could be reconstructed if destroyed by fire.

In the next section, the frontage on roads clause contradicted an earlier section on R4 and R5 zones. Pergolas said. The frontage clause said no buildings other than a recreational dwelling can be built on lots not fronting on a public road while an earlier clause allows up to three accessory buildings on R4 and R5 zones.

Council suggested a new definition regarding the storage of vehicles be written. Councillors were disappointed by the inappropriate wording of the definition after spending an hour of consultation on that specific matter with Holmes during a previous stage of the document.

During its review council incorporated more uses under the permitted uses table: two family dwellings allowed in R2, automobile and marine service allowed in gen-

eral commercial, business offices zoned for highway commercial and industrial zone as well; hotel and motels allowed in resort commercial; and retail stores allowed in highway commercial.

The restrictions of the R3 zone, which upset many cottagers because of the suggested 82 foot frontage, was altered. If the suggestions are adopted, R3 will require 1,800 square metres of lot area, 40 metre lot frontage, two metre minimum side yard, five metre exterior side yard and council will question the 10 metre minimum water yard that is five metres greater than R4 and R5 zone requirements.

Housing group formed

from page 1

the project from the government. That percentage is repaid to the province when the first mortgage advance is received.

According to a study carried out by the province last year, the townships need between 14 to 18 senior citizens apartments and from nine to 11 family units. Rent will be comparable to other housing in the area, Petker said. All

While many definitions did not satisfy the councillors, McKnight was concerned specifically with description of automobile and marine service and automobile service stations. Under the proposed zoning, many area businessmen would find it difficult to operate their businesses, he said. Council suggested a clearer definition should be obtained.

Councillors will examine the accompanying maps in an effort to ensure properties are properly zoned.

Council instructed the township clerk to sort the objections received to the by-law into those council has dealt with and those that will need further consideration.

property will be purchased by the corporation, he added.

Answering a question from Harrison, Petker said anyone residing in the province for over a year was eligible to rent the facilities. Petker suggested a tenant committee will be required to judge the greatest need of those who apply, when that time comes.

The committee will meet this week to discuss the matter further.

Board approves altered day

Longer lunch hour to give students time to socialize

Changes in the school day at Haliburton Highlands Secondary School have been approved by the board of education.

Beginning this fall, a 65 minute lunch break will be implemented in the middle of the school day, replacing staggered, 40 minute lunch periods. The ninth period, which had been set aside for extra help and other activities, will be dropped, with the additional time included in the longer lunch period.

Classes will continue to 3:30 next year, instead of the present 3:05.

The move to an eight period day and a longer lunch hour was approved by the majority of teachers at the school, and presented to the board for consideration last Tuesday.

Principal Dale Robinson, who outlined the proposed changes, saw several benefits in the new schedule.

Under the present system, some students have a lunch break while others are in classes. Areas of the school where classes are underway remain off limits to students who are on break. That creates bottlenecks, according to Robinson, especially on rainy days.

No intermural sports programs could be offered with

the staggered lunch period system Robinson said, but with a uniform, 65 minute period, students will have ample opportunity to take part in a variety of activities.

Robinson said he intends to implement a 'house' system in the school, a move which he hopes will boost school spirit and encourage involvement in noon hour activities.

The cafeteria would operate throughout the 65 minute period, and students could eat at any time, reducing the possibility of lengthy lineups for meals.

Board members were concerned that the longer lunch period would result in more students leaving the school property at lunch hour, and Robinson admitted the possibility. But he said rules requiring students to have notes from parents if they want to go off the school property at noon hour would not change.

Robinson said a 'fringe element' of students may abuse the system, but added that the majority of students "are very responsible".

If the change creates too many problems, it would have to be discontinued, Robinson said, but he urged the board to allow it to be tried for one year, after

which it would be reviewed.

Teachers would be required to spend an hour and a half a week offering extra help to students or organizing activities during the lunch period, Robinson said.

"We're going to give (the students) a meaningful program at noon hour and they're going to take advantage of it," Robinson said.

He noted that the loss of one period a day could create timetabling problems, but sought the board's approval to try scheduling next year's classes based on the altered school day.

The board approved Robinson's plan, noting that the arrangement will be reviewed in the spring of 1983.

Dysart upholds balloon decision

Dysart et al council has upheld a decision by its recreation committee not to allow a hot air balloon to operate from the Haliburton ball diamond.

Balloon owner Steve Bow-skill, who also operates the adjacent Sky Slider ride, appealed the committee's decision at a special meeting of council last Wednesday.

Parents press board

from page 1

Change and tradition are involved, Murdoch said, and people's reaction to it, but "first on the agenda is the children".

Trustee Derrell Stamp said the board established a committee to see if steps could be taken to alleviate parents' concerns, but the parents said "they would not agree no matter what."

"To me, that was a no compromise situation" Stamp said.

He added that he was satisfied that the youngsters could be accommodated educationally at the senior elementary school, but that he was "not satisfied that it is right to break up the primary unit".

Trustee Paul Wilson sug-

gested the board obtain more input from Ruth Gorrie before deciding whether or not to rescind its decision on the Grade 3 class, but trustee Len Salvatori claimed it was not up to the board to approach Gorrie, but rather up to Gorrie to approach the board.

Chairman Murdoch cut off discussion when it became obvious neither side was ready to soften their stand. She agreed to keep the Dysart committee active to study the matter further, then pressed on with other business.

Dysart trustees met with Gorrie Tuesday afternoon, but results of the discussions are not expected to be revealed until the board's next regular meeting, May 25.

Chamber purchases portable building

The Haliburton Highlands Chamber of Commerce will serve visitors to the area better after a portable building is added to the existing facilities on Highway 35 near Minden.

Chamber manager Bob Stinson announced this week that a 12 by 32 foot portable building, formerly used as a clinic for Dr. Vanderweken's veterinary clinic in Stanhope township, will be added to the south side of the existing office to provide additional space for offices and a meeting room.

Director Shawn Hagerman, chairman of the building committee, has searched for alternatives to the Chamber's inadequate and cramped conditions for some time. While the portable building is termed only a temporary solution to the

chamber's building problems, Stinson said it is a logical solution.

Total cost of purchasing and moving the building to the site is estimated at \$4,000, and the chamber plans to spread the cost over two years. Determined not to use funds earmarked for promotion, the board allocated money from payroll and maintenance budgets to cover the cost this year. Another \$2,000 has been directed towards improvement of the appearance of the present chamber building.

The portable building is scheduled to be moved to the chamber site following the May 24 week-end.

Hagerman is considering the establishment of a fund that would allow an appropriate building to be constructed in the future.

HHSS courses changing

Changes reflect importance of computers

The effects of computer technology are being felt at Haliburton secondary School, as courses are dropped and new ones added to reflect changing realities in the business world.

At a meeting last Tuesday, the board of education approved a number of course changes suggested by principal Dale Robinson.

As of next year, senior building shop, Grade 12 bookkeeping, Grade 11 business machines and computers, Grade 13 accounting and Grade 11 business communications will be dropped, and Grade 11 shorthand will be changed from a two credit to a one credit course using Forkner rather than Pitman

shorthand.

In place of the old courses, the school will offer an enriched computer course at the Grade 12 level, a Grade 11 course in practical computer use, and an open electronics course with some study of computer repair.

An art course will also be offered for the first time next year, and response to the course has been so good that two classes will be needed to accommodate the students, Robinson told the board.

A creative writing course will be offered as well next year, and the special vocational course initiated this year at the Grade 9 level will be continued to Grade 10 next year.

Joanne Smith was busy putting the finishing touches on a paper mache animal at Victoria Street School last Thursday as parents took part in an open house as part of Education week in Haliburton County.

Minden council holds meeting

At the most recent meeting of Anson, Hindon and Minden council, the following matters were considered: Mrs. Jean Lacey attended Council to request permission to install flower tubs on the Main Street in conjunction with a survey being undertaken by the BIA to determine the number required and the most appropriate

locations for the tubs.

Also the Junior Horticultural Society in recognition of Arbour Day required permission to plant a red pine tree at the Library Cultural Centre on May 8. Mrs. Lacey advised that it was proposed to make Arbour Day an annual event.

Council accepted the tender of Ken W. Morris Ltd. to

supply approximately 31 tons of liquid calcium chloride at \$167.65 per F.E.T.

Council also accepted the tender of Lafferty-Smith to supply approximately 10 tons of bagged calcium chloride at \$201.32 per ton.

Council accepted the tender of Chevron Asphalt Limited to supply approximately 2,000 gallons of R.S.1 patching emulsion at .95 cents per gallon.

Council accepted the tender of Canam Oil Services to supply approximately 30,000 gallons of used road oil at 77.35 per gallon.

County council holds session

At the April meeting of Haliburton County council, the following matters were considered:

Council will request that in any new Haliburton Act there would be 19 members of Council as is. However, to represent more fairly the voting based on assessment and population, Cardiff, Monmouth and Snowdon Deputy Reeves would not vote on recorded votes called on the floor of general Council meetings. In the absence of a Reeve, a Deputy Reeve may vote on a recorded vote. A registered Nay vote came from McGillivray.

Deputy Reeve J. Francis declared interest in Cheque No. 191 and refrained from discussion and voting. Accounts were approved for payment in the amount of \$111,577.76.

The Clerk read letters from the list of correspondence as requested.

Haliburton County concurred with a motion of the Township of Carling calling for a provincially supported wolf bounty.

By-law no. 1173, a by-law to appoint a member to the Land Division Committee of the Provisional County of Haliburton, was passed.

By-law no. 1174, a by-law to consent and concur in the passing of a by-law by the Corporation of the Township of Cardiff to close, stop up and sell a part of the original shoreline road allowance along Hudson Lake in front of Lot 17, Concession 20, Township of Cardiff, was also passed.

By-law no. 1175, a by-law to consent to and concur in the passing of a by-law by the Corporation of the Townships of Anson, Hindon and Minden to close, stop up and sell a part of the original shoreline road allowance along the shore of Kashaga-

wigamog Lake in front of Lot 29, Concession 6, in the Township of Minden, was passed.

By-law no. 1176, a by-law to consent to and concur in the passing of a by-law by the Corporation of the Townships of Anson, Hindon and Minden to close, stop up and sell a part of the original shoreline road allowance along the shore of Mountain Lake in front of Lot 7, Concession 8 and Lots 6 and 7 according to Registered Plan 522, Township of Minden, was passed.

By-law no. 1177, a by-law to consent to and concur in the passing of a by-law by the Corporation of the Townships of Anson, Hindon and Minden to close, stop up and sell a part of the original allowance for road lying at the rear of Concession A, Township of Minden, was passed.

Representatives from Greer Galloway and Associates made a presentation to County Council, as requested by the Budget Committee, having submitted low tender. They answered questions from the floor, and from Budget Committee Chairman Jim Harrison, confirming that they would present a final report to County Council.

Trustees set own salaries

Education Minister Dr. Bette Stephenson has introduced legislation which will allow school trustees to set their own salaries.

Trustees are now paid on the basis of the enrolment of the school board on which they sit with salaries ranging from a minimum of \$100 a month to a maximum of \$600. Trustees in Haliburton County, where enrolment is less than 2,000, receive \$100 a month.

cil and carry out all items listed in the terms of reference for the price quoted.

Having reviewed the proposals for a Waste Management Study for the Provisional County of Haliburton, council awarded the study to Greer, Galloway and Associates Ltd. in the amount of \$18,588 in conjunction with the MOE.

At the request of the Budget Committee Chairman, Reeve M. Fearrey reported on a recent meeting of the committee with Ted Foster, Senior Policy Advisor with the Ministry of Municipal Affairs and Housing. Various points of concern relative to the possibility of removing 'Provisional' and attaining full county status were discussed with a request that these be clarified. It was emphasized that any initiative must come from the County, and in commencing the study Foster will be meeting with municipal clerks and councils.

Children's Services Representative G. Lewis reported on the contribution by the Haliburton County Social Planning Council to Children's Services development.

Council agreed to recon-

Please turn to Page 16

Under the proposed legislation school board trustees would not be able to vote themselves a raise after an election. A trustee salary level established by an outgoing school board would only come into effect when the newly elected board assumes office. However, should trustees vote for a decrease in pay it would become effective immediately. If passed by the Legislature the amendment would become effective this fall.

COMMENT

EDITORIALS

Right vs. right

What at first seemed a relatively simple disagreement between the Haliburton County Board of Education and a group of Victoria Street School parents has become a battle of wills in which the youngsters are dangerously close to taking second place.

The board's decision to move the Grade 2 class to the senior elementary school for Grade 3 appeared reasonable enough when it was made last fall. Victoria Street school is old, crowded, and drafty. It has too few washroom facilities for the number of students who attend. Its library set up is inadequate. There is no gymnasium. Three portable classrooms can only be reached by walking out of the main building. Repairs and upgrading could improve the situation, but enrolment is falling. In a few years the school may have to be closed for economic reasons, and the board quite rightly wants to avoid spending money on a facility that almost certainly has a limited life.

The senior elementary school, on the other hand, is a modern structure with a host of amenities conducive to a sound education. Its classrooms are well thought out, it is air-conditioned, it has a large library and a good deal of space that can be used for instructional purposes outside the classroom. Declining enrolment has made space available, so why not move the Grade 3 class there, the board reasoned.

But in making the decision, the board failed to anticipate parents' reaction. And, it now appears, trustees failed to come to terms with the implications of breaking the continuity of the Kindergarten to Grade 3 primary unit.

In objecting to the move, parents pointed out that Victoria Street School had certain advantages, despite its physical limitations. The advantages included a 'primary, small school atmosphere', a vocal music program, a proven parent involvement program, playground equipment geared to the youngsters gross motor needs, and nearness to the Gallery and other educational opportunities.

These objections were valid, but none of them were, in the board's view, significant enough to warrant leaving the Grade 3 class at Victoria Street and taxing the facilities for another year to the detriment of other students. When parents' objections were voiced, the board appointed a committee of Dysart trustees to meet with the parents and work out a compromise.

It now appears, however, that some of the parents, who may or may not represent the majority, will not accept any form of compromise. And it also appears that the well-being of the youngsters may be taking a back seat to personalities and background issues.

The parents feel that trustees are elected to represent them, and that trustees must execute the people's will. The parents argue that since they don't want their children moved to the senior elementary school, the board has an obligation to rescind its earlier decision.

For its part, the board appears to be sticking adamantly to a position that it must respond to the needs of the system as a whole, rather than to the feelings and concerns of individual parents. Trustees showed a willingness to compromise, but not to back down on a decision that seemed reasonable enough at the outset.

As the dispute drags on, more issues come to the surface. Parents claim the Victoria Street School principal and teaching staff don't want the youngsters moved. The board says the staff have every right to communicate their feelings to trustees, but have not done so.

Parents may also be using the dispute as a means of challenging the authority of director of education Doug Hodgson.

Whatever the complications, the fact remains that the needs of the youngsters should come first. And on that score, more study needs to be done. As yet, parents have not proven that the students will suffer if they are moved to the senior elementary school, and the board has not proven that the move makes educational sense.

by LEN PIZZEY

Moral upbringing more important

Letters to the Editor

To the Editor:

I feel compelled to make my feelings known about the way in which the former Cauldron Pharmacy store is now being used. The last thing the town of Haliburton needs is another arcade which will inevitably become a hang-out for our young people. Even with supervision of the premises, I'm quite sure that the young people will be exposed to, and influenced by those who make a habit of loitering on our streets. I can easily see young teenagers picking up foul language and bad manners in that setting.

No doubt this is a fast money-maker, but in my opinion the moral upbringing of our young people is of much greater importance.

Nada Vaughan,
Haliburton

To the Editor:

In reply to Creighton Feir's analysis of what happened to the Haliburton Midgets in the last game for the all Ontario finals against Langton:

It was very plain to see five minutes into the game that the referees were going to allow Langton to grab and hold our players. That was Langton's strategy through the whole series, to hold the forwards in the corners so they could not backcheck. Near the end of the second period, Langton's player boarded Kevin behind Hal-

iburton's net, and they both fell to the ice. Langton's player got up, and when Kevin went to get to his feet, the Langton player kicked him twice, resulting in a cut near Kevin's throat which required seven stitches at the hospital later on.

Kevin is one of the few boys in hockey to wear a hockey collar around his neck; this probably saved his life. The skate cut through an inch of chest pad also. If a penalty had been assessed on the play at the time, the Langton player would have received a seven minute major penalty for intentional injury, plus a game misconduct. That alone would have made a big difference in the game. A goal that Haliburton scored, but was not allowed, also would have made a big difference as it was a legal goal.

At the start of the third period, with Langton leading 3-2, Kevin had a Langton player's stick run between his legs, on the face-off in our end of the rink, and twisted sideways on the play, injuring his knee. This was no accident. If you have been around hockey for awhile, you will know in order to beat the opposition you eliminate the good players. They also tried to eliminate a couple of our other players.

Langton had a well-balanced club, and I won't take anything away from them. Their three best players in the last game, was their goaltender, plus the two referees. Good hockey players are made up of natural ability, and guts. You don't need either to be a referee. We have had some real good refereeing this year, and to those officials, I tip my hat. But 75 per cent of it has been garbage. A good referee has to work as hard on the ice as a good hockey player.

Please turn to Page 5

Council should act to control arcades

Editor's Notebook

by LEN PIZZEY

Dysart et al council will get few objections if it follows through on plans to toughen up regulations governing the placement and operation of electronic arcades. Arcades have been spreading through the landscape of Ontario like locusts, and like locusts, they are a plague.

No one with an interest in the community's future could possibly support the proliferation of mindless amusements that channel energy and money into an utterly useless and ultimately harmful pursuit.

It may be extremem to say that electronic arcades weaken the moral and spiritual fibre of young people, but there is a certain disquieting

decadence about beeping machines that consume quarters and offer nothing of value in return.

Some would say that Space Invaders and Pac Man are simply a sign of the times, a manifestation of the computer age that will evolve into better things with no harm done. And in the end, that may be true. But in the meantime, a whole generation is being tempted to put aside books and hobbies and athletics and a host of simple activities whose rewards are infinitely greater than victory over a series of electronic blips. And in the meantime, local citizens will have to put up with the noise and visual blight created by electronic arcades.

At the very least, arcades should be kept off the community's main streets. It may not be possible to ban them entirely, our emphasis on the free enterprise system being entrenched as it is, but it should certainly be possible to control them with a firm legislative hand.

And the sooner it's done, the better.

Feir Play

Creighton Feir

It won't be very long now before the 24th of May. This is the time of the year that we think of as the start of a busy summer season that takes us through June, July and August. It would seem to me that at the present time not many of us are going into this three month period with a very optimistic outlook. I don't seem to be going to very many places where they are telling me that this summer will break all records as far as people and money are concerned. What I have been hearing is the exact opposite. Most business people seem to be sitting back not knowing what to look for in this time of recession. Some are saying that business is off this spring and the question seems to be whether to blame it on the economy or the backward spring. A friend of mine told me just the other day that life is just what we make it and if we are going to talk gloom and doom this is what we are going to get. We must all think and talk the same way. I firmly believe that the same number of people will visit the Highlands this coming summer as did last year but there is the possibility that instead of a cottager coming up to his cottage every week-end he may drive up every other week-end. I also maintain that there is still plenty of money around but that people must have more confidence and with it they will start to spend money and buy things once again. I think that we all have to agree that we are in a recession and that the economy could be better but if things are as bad here in the Highlands of Haliburton as some people would lead us on to believe we can't seem to see many signs of this up to the present time.

With approval from the Kinsmen Club of Haliburton, an observer from the Haliburton, Hastings Fisheries Assessment Unit attended the 1982 Fish Derby to obtain data on fishing effort, harvest, and to examine the fish caught. The headquarters for the Derby was set up at Koshlong Marina. The owners of the marina kindly offered interior work space for the examination of fish that were brought in. Sixty-nine people, mostly locals, registered in the Derby.

Catches were light and it appeared that all trout caught were brought in to be weighed. The total catch consisted of 9 lake trout and a single smelt. Biological data were obtained from all fish.

Total angling effort was estimated to be about 300 hours, or 1.4 hr/ha. The overall C.U.E. was 0.03 fish/hr and seems to be typical of the 1982 winter fishery on the lake. The total weight of trout caught was 9.9 kg, so that the yield was 0.02 kg/ha. Expressed in terms of weight, the C.U.E. was about 0.03 kg/hr.

The Stanley Cup playoffs are far from being over but many of the hockey players are through until next fall. We notice that Walt McKecknie, of the Detroit Red Wings of the National Hockey League has returned to spend the summer months at his home at Eagle Lake and it won't be long before Bernie Nicholls will be returning home after toiling with the Los Angeles Kings for the last half of the N.H.L. season. Bernie's mother told me last week that Bernie is at present enjoying a vacation in Hawaii along with the rest of the Los Angeles team at the expense of the Kings' owner who promised them this trip if they could put Edmonton out of the first round of the playoffs. I met Ron Stackhouse of the Pittsburgh Penguins in town one day last week and he tells me that he is home now for a much needed rest during the summer months. Ron told me that the Penguins went with only four defencemen during the past season and that he logged more ice time than ever before.

Carol Jarvis, a representative for the Crippled Children Society, spoke on the benefits of Easter Seals and the active part that the Rotary Club of Haliburton has taken helping the local handicapped patients when she addressed a recent meeting of the local club. This aid to the disabled cannot go on without your continued support. If you have neglected to send in your contribution to the Easter Seal Fund please do so right away.

I would like to take this opportunity to welcome Rev. and Mrs. John W. Phillips and family to Haliburton. Rev. Phillips is the new minister who will be in charge of the Anglican Parish of Haliburton which includes St. George's Anglican Church, Haliburton, St. Andrew's, West Guilford, and St. Margaret's at Wilberforce. Speaking on behalf of the citizens of Haliburton and surrounding area we wish Rev. and Mrs. Phillips and their family happiness and good health during their stay with us.

Sheldon Nicholls, president of the Kinsmen Club of Haliburton has received a letter from Dennis A. Warrick, Director of Dental Services for the Haliburton, Kawartha, Pine Ridge District Health Unit expressing their appreciation and to acknowledge receipt of the cheque in the amount of \$50 received from the club. He thanked the club for their concern with the dental health needs of indigent children in the Haliburton area. The donation is being held "in trust" for a student from this area.

Just a reminder that its Kindergarten Registration at the Archie Stouffer Elementary School in Minden on Tuesday, May 11 and at the Victoria Street Elementary School in Haliburton on Wednesday, May 13.

The Haliburton County Echo is an independent newspaper serving Haliburton and Victoria Counties for over 90 years. Established in 1882 as The Minden Echo and Haliburton Recorder and amalgamated with The Minden Recorder in 1977. The Haliburton County Echo is published by Algonquin Graphics Limited in Haliburton, Ontario, Box 360, R0M 1S0, Phone 457-1037.

Advertising is accepted on the condition that, in the event of a typographical error, the portion of the advertising space occupied by the erroneous item, together with a reasonable allowance for signature, will not be charged for, but the balance of the advertisement will be paid at the applicable rate.

In the event of a typographical error advertising goods or services at the wrong price, goods or services may not be sold. Advertising is merely an offer to sell and may be withdrawn at any time. The Publisher reserves the right to restrict all ads as to their classifications and to edit or reject any copy.

VIEWPOINT

Pic of the Past

Our thanks go out this week to Glen Hodgson of Haliburton Lake for giving us permission to use this most interesting photo which is looking south-east in the courtyard of Fort Irwin about the year 1900. Shown in the picture from the left are

James Roberts (father), Charlie Roberts (son), Curly Bill Roberts (son), Harry McBrien (no relation to the James family), Jack Roberts (brother of Joe Roberts).

Marketing plan adopted by board

From the Chamber

by Bob Stinson

For over a year members of the Marketing committee have been working on details of the marketing plan for the Chamber that will be put into place during the next year. Last week the board met to adopt the final version of that plan which included some changes due to the budget that had been allocated and a number of recent developments.

One of the most significant changes in plans will be the use of an advertising agency being retained through the Central Ontario Travel Association to provide broader coverage and a more elaborate area directory than we presently distribute. The concept will provide members with a choice of placing their advertisement in a publication that receives an outside circulation of 75,000 plus a local edition of 25,000 or the option of appearing only in the local edition which will include the Haliburton section of the larger book along with their additional pages and distinctive cover.

Another innovative move will be the offering of a pre-recorded Haliburton weather report to radio stations all across Ontario. This idea was presented to the board by Elgin Stouffer and he is volunteering a great deal of his time to get it rolling. Once in place it is anticipated that a great deal of exposure for the Haliburton Highlands will result at a fairly reasonable cost.

A considerable portion of the marketing efforts will be directed at creating more convention and business meeting business in the Highlands. This priority recognizes not only the immediate year round traffic that this industry creates but the ultimate benefit of having introduced the Highlands to many of the delegates for the first time. Having done so we know they'll be back.

Please remember, however, that these plans are for next year and that this year's are already in process. The 1982 directory has not yet been distributed to many of you but is available at the Chamber office. Any members who would like a supply before we get a chance to drop some off is certainly welcome to drop in and pick some up.

Ladies Beautify Haliburton

We had the pleasure last week of meeting with the recently formed Haliburton Business Wom-

en's Association. One of the unique features of their organization, which is headed up by Jackie Banks, is that they insist they are going to operate with no budget. They have already accomplished a number of projects using volunteer or donated assistance and are presently designing maps to create "Walking Tours" in the village. In order to make things more attractive they are also embarking on a program which will result in showings of flowers throughout town. The plants are being provided by the residents of Extendercare who have nursed them along throughout the winter and a garden club has now been formed to care for them. The Garden Club is looking for active members and anyone interested should contact Madge Thompson at 457-2705.

We applaud the efforts of the girls in Haliburton and certainly suggest that every business in town should see that a female member of their establishment become a member. We look forward to working in cooperation with them.

Guild Choir Concert

The Guild of Fine Arts Choral Society are holding their annual concert tonight (Wednesday) at the High School to cap off the successful concert series sponsored by the Guild. The society is also sponsoring a performance by the Trinity United Church of Peterborough at the Minden United Church on May 30 at 7 p.m. The evening is entitled "Devorak at the Foot of the Cross". A collection will be taken and refreshments will be served at the conclusion.

Gun control proposal not supported

Report from Parliament

by Bill Scott, MP

Federal Solicitor General Robert Kaplan has issued a statement in the House of Commons that the controversial Private Member's Bill C-451, dealing with gun controls, does not represent government policy. What this means in effect is that the government will not support the bill in the House if it comes up for Second Reading, and Mr. Kaplan has also given assurances that the government has no plans to bring in legislation strengthening present gun control laws.

Bill C-451, which would have imposed severe restrictions on the ownership of shotguns and rifles, and the possession of ammunition for those types of guns, has generated a storm of protest around the country since it was introduced by former solicitor general Warren Allmand.

My own Ottawa and constituency offices have been deluged with mail and calls protesting what people thought to be a government ploy to bring in new, more restrictive gun controls by having one of its own Members try to slip through a Private Member's Bill. Happily, this did not prove

to be true.

Mr. Allmand's bill sought to require a Firearms Possession Certificate for anyone who owned, or sought to buy, a shotgun or rifle. He would also have required that anyone who owned such a weapon prior to January 1, 1978, apply to a "Firearms Officer" for a Firearms Possession Certificate, and this would also apply to anyone possessing or seeking to purchase any type of ammunition.

Present Gun Control Legislation, agreed to by both the government and the Official Opposition in Parliament, requires that anyone wishing to purchase or trade a shotgun or rifle after January 1, 1978, obtain a Firearms Acquisition Certificate from a local police department. Rifles and shotguns obtained prior to that date are not subject to those regulations. Antique weapons and pellet guns are exempted from the regulations.

The existing regulations also prohibit the issuance of a Firearms Acquisition Certificate to anyone convicted in the previous five years of a crime involving violence, or anyone with a history of mental disorder.

Handguns are already adequately covered by the Criminal Code as restricted weapons requiring special licensing, and automatic weapons are also covered by the Criminal Code and are classed as prohibited weapons. Handguns and

Careful reading can bring rewards

Serendipity

by SUE COOPER

During my journalism studies at college, the most stringent rule students were required to follow was that all pertinent information of a story must be written in the first four paragraphs. During those years - and since - I assumed the purpose of the philosophy was to protect those important details from the unsympathetic scratch of the editor's pen.

But it seems there are other reasons to write all facts within a brief space.

At the inaugural meeting of Anson, Hindon and Minden, Lutterworth and Stanhope joint housing committee, it was proven that subscribers, whether they be ratepayers or elected municipal officials, do not thoroughly read newspaper articles which concern them.

Bern Petker, a representative of the Ministry of Municipal Affairs and Housing was briefly describing the financial alternatives available to housing corporations developing housing units in the area. He was interrupted by Stanhope reeve Jim Harrison, who wanted it made clear to the press that no financial burden would be placed on municipalities if housing units are built or purchased. His adamancy suggested he had been grilled by ratepayers wishing to know why the townships would become involved in such an expensive project. Larry Cummins, an Anson, Hindon and Minden councillor, mentioned he was approached by a resident condemning any huge expenditures.

It is important ratepayers understand the townships' business and most residents are concerned if significant tax hikes loom on the horizon. But an article on the front page of The Echo, three weeks earlier, explained the fact that the corporation would have separate identity and that local taxpayers would not be saddled with additional costs.

If ratepayers choose to be uninformed by not completely reading newspaper articles and would rather flip to the classified columns instead, the media cannot be blamed.

Knowledge is a commodity that must be yearned for before it can be enjoyed.

To the Haliburton Midgets, congratulations, on a super season. I will tell you one thing for sure: you took the loss a lot better than Langton would have. I think the outcome of a series should be decided by the kids involved and not the referees, but that's hockey. Good luck to you next year.

16 records broken at HHSS field meet

A total of 16 records were set last Friday when Haliburton Highlands Secondary School students took to the field for the school's annual track meet.

Brilliant sunshine and calm air made conditions perfect and many of the school's top athletes responded by running, jumping and throwing their way to new records, some of which exceeded the old marks by a wide margin.

Best performances of the day came in Midget boys competition as Shaun Symonds set new records in the 400 m hurdles, the high

jump and the discus, and Greg Pearson set records in the long jump and triple jump and tied the old mark in the 100 m hurdles.

Pearson and Symonds tied for the overall Midget boys championship with 23 points each. Runner up was Ron McLeod with 15 points.

Scott Rae set records in the Junior boys 1500 m and 3000 m races, but Paul Vuksic emerged the overall Junior boys winner, amassing 17 points in the day's events. Rae was runner up with 15 points, as were Barry Boice, Steve Smith and Tim Beaver.

OCAP CAN HELP

Are you between the ages of 16 and 24?

Have you been out of school for at least 3 months?

Are you actively looking for your first full-time, career-related job?

If the answer is **yes** to each of these questions, the Ontario government has just the program for you....

The Ontario Career Action Program

You may be finding it extremely difficult to get a job in your chosen line of work because you lack experience; at the same time, the only way to obtain this experience is by getting a job! The Government of Ontario has designed the Ontario Career Action Program (OCAP) to help you over this frustrating hurdle.

EARN WHILE YOU LEARN

The OCAP training period lasts up to 16 weeks, depending on the complexity of training. During this time, you receive a training allowance of \$100 a week.

GET PRACTICAL, ON-THE-JOB TRAINING

OCAP gives you practical, on-the-job training. You learn in a real work environment, one of the best ways to improve your job skills, work habits, and productivity. This work experience should increase your chances of obtaining that first all-important regular job. It should also help you to compete for jobs with more self-confidence. OCAP will not find you a permanent job, but it will help you to find one for yourself.

FIND THAT PERMANENT JOB

Job-search counselling and career guidance are also part of the OCAP experience. You will participate in workshops on how to search for employment effectively, how to write a good resume, and how to present yourself at a job interview. You will also be encouraged to apply for regular jobs and given help in arranging job interviews during your training.

HOW TO APPLY

Application forms for participation in the Ontario Career Action Program and further information are available from the OCAP office at your local community college or Canada Employment Centre.

REPRESENTATIVES FROM S.S.F.C.
WILL BE AT OUR HALIBURTON CAMPUS
WEDNESDAY MAY 12, 1982 AND THURSDAY, MAY 13, 1982
FROM 9:00 - 12:00
TO RECEIVE APPLICATIONS AND PROVIDE
FURTHER INFORMATION ON OCAP.

PLEASE DROP IN OR GIVE US A CALL AT 705-457-1680

EMPLOYERS OCAP can help

If you are an employer who wants to hire a young, eager person but can't meet the initial training costs ... the Ontario government has an employment program just for you ...

WHAT IS OCAP?

The Ontario Career Action Program is designed to help young people learn practical, marketable skills on the job.

Many young people face a major problem. Lack of previous work experience prevents them from finding regular jobs related to their career goals and education, yet the only way they can get that experience is by being employed! OCAP was created to help overcome this dilemma by bringing together unemployed youths and employers, with the help of your local community college.

EARN WHILE YOU LEARN

OCAP provides on-the-job training for a period of up to 16 weeks. Trainees will receive an allowance of \$100 per week plus 4 per cent vacation pay from the Ontario Government. Income Tax, Canada Pension Plan and Unemployment Insurance premiums will be deducted. Trainees are responsible for their own health coverage but most trainees will qualify

for premium assistance. Enquire at your local OHIP office.

WHO QUALIFIES?

Trainers:

All Ontario businesses, industries, provincial government ministries, colleges, universities, crown corporations, municipal and federal governments are eligible to participate. You must ensure:

- * that the training will be for a period of up to 16 weeks, depending on the complexity of the job duties

- * that there are good prospects for employment of the trainee with you after OCAP

- * OR that the skills acquired in training are marketable in the community, so that job prospects for the trainee are good with other businesses

- * that no regular full-time or part-time employees are displaced in any way by the introduction of an OCAP trainee

REPRESENTATIVES FROM SIR SANDFORD FLEMING COLLEGE
WILL BE AVAILABLE:

WEDNESDAY, MAY 12 1:00 P.M. - 4:00 P.M.

THURSDAY, MAY 13 1:00 P.M. - 4:00 P.M.

PLEASE DROP IN TO OUR HALIBURTON CAMPUS TO DISCUSS YOUR
TRAINING NEEDS OR GIVE US A CALL AT 705-457-1680.

Midget boys perform well

Shaun Symonds, Greg Pearson surpass former marks

from page 6

Rick McGee also set a record in the Junior boys high jump.

Mike Hatkoski set a record in the Senior boys javelin competition and emerged the overall champion with 23 points, with runner up honours going to Anthony VanLieshout, who racked up 19 points.

Jim Tomlinson established a new mark in the Senior boys high jump.

Two records were set in Midget girls competition, as Marilyn Walker tossed the shotput farther than any other HHSS student, and Lori Valentine hurled the javelin a previously unequalled distance.

Overall winner for the day was Heidi Tashlin, who tied a record in the 80 m hurdles and wound up with 25 points for the day's competition.

Lori Valentine was the runner up with 16 points.

Marla MacNaull was the top competitor in the Junior girls division, setting a record in the javelin and amassing 25 points overall.

Second spot went to Karen Gillespie with 17 points.

Three records were set by Senior girls, two of them by Margie Newton, who excelled in the 400 m hurdles and the high jump to take the championship with 25 points.

Eileen Henderson and Bethany Wood tied for second spot with 15 points each.

Jackie Miller was the top competitor in the Senior girls shot put, setting a new record.

Complete results of the day's events are as follows:

MIDGET GIRLS

100 Metre
Heidi Tashlin (14.9), Lori Valentine, Shelley Greer, Teri Holm.

200 Metre
Heidi Tashlin (30.5), Shelley Greer, Rhonda Wilson, Teri Holm.

400 Metre
Rhonda Wilson (1:18.1), Shelley Greer, Teri Holm, Susan Gronberg.

800 Metre
Heidi Tashlin (3:04.2), Lee Barbour.

1500 Metre
Teri Holm (6:54.8), Susan Gronberg, Cindy Roodenburg.

3000 Metre
Susan Gronberg (16:11.0), Angela Googh.

80 Metre Hurdles
Heidi Tashlin (16.1 Ties Record), Rhonda Wilson, Dawn Saxon.

400 Metre Hurdles
Heidi Tashlin (1:28.5), Sue Fujar.

Long Jump
Jenny Randall (4.02), Lori Valentine, Rhonda Valentine, Miriam Smith.

High Jump
Lori Valentine (1.32) Rhonda Blakey, Miriam Smith, Sue Vuksic.

Shot Put
Marilyn Walker (8.58 RECORD), Miriam Smith, Michele Purnell, Tammy Short.

Discus
Miriam Smith (21.18), Rhonda Blakey, Susan Ballantyne, Lori O'Brien.

Javelin
Lori Valentine (23.21 RECORD), Dawn Saxon, Sue Vuksic, Rhonda Blakey.

Champion
Heidi Tashlin (25 pts.)
Runner-Up
Lori Valentine (16 pts.)

JUNIOR GIRLS

100 Metre
Wendy Ballantyne (15.4), Lisa Jones (15.4), Suzy Brown, Karen Gillespie.

200 Metre
Karen Gillespie (32.1), Lisa Malott, Lisa Jones.

400 Metre
Marla MacNaull (1:09.2), Karen Gillespie, Lisa Malott.

800 Metre
Marla MacNaull (2:55.4).

1500 Metre
Marla MacNaull (6:08.6), Sharin Gilligan, Sandy Walker, Kathy Walsh.

3000 Metre
Sharin Gilligan (15:32.1), Kelly Linkert.

80 Metre Hurdles
Tara Davies (16.7), Karen

Gillespie, Vanessa Canpow, Sheila Wilson.

400 Metre Hurdles
Karen Gillespie (1:24.1), Louise Newton, Sharlene Dennys, Tara Davies.

Long Jump
Marla MacNaull (4.74), Sandy Walker, Veronica Jordan, Tracey Wilson.

High Jump
Sandra Heywood (1.32), Tracey Wilson, Lori Kellett, Lorrie Sawyer.

Shot Put
Karen Miller (8.45), Kathy Walsh, Lisa Jones, Yvonne Thomson.

Discus
Sandy Walker (22.35), Karen Miller, Kathy Mosgrove, Kathy Walsh.

Javelin
Marla MacNaull (28.35 RECORD), Wendy Ballantyne, Kathy Shipley, Lisa Malott.

Champion
Marla MacNaull (25 pts.)
Runner-Up
Karen Gillespie (17 pts.)

SENIOR GIRLS

100 Metre
Bethany Wood (15.8), Eileen Henderson, Wendy Sicard.

200 Metre
Janice Emmerson (33.0), Susie Wingat.

400 Metre
Margie Newton (1:12.7), Eileen Henderson, Janice Emmerson.

800 Metre
Beth Cooper (7:03.7), Janice Emmerson, Karen Franke.

3000 Metre
Beth Cooper (15:13).

100 Metre Hurdles
Wendy Sicard (20.5), Eileen Henderson, Janice Emmerson, Bethany Wood.

400 Metre Hurdles
Margie Newton (1:23.5 RECORD), Eileen Henderson.

Long Jump
Margie Newton (4.29), Wendy Sicard, Susie Wingat, Janice Emmerson.

High Jump
Margie Newton (1.62 RECORD), Susie Wingat, Sharon Williams.

Shot Put
Jackie Miller (9.00 RECORD), Bethany Wood, Pam Iles, Apryl Thomson.

Discus
Pam Iles (23.35), Bethany Wood, Jackie Miller, Susie Wingat.

Javelin
Pam Iles (25.54), Bethany Wood, Apryl Thomson, Sharon Williams.

Champion
Margie Newton (25 pts.)

Runners-Up
Eileen Henderson (15 pts.)
Bethany Wood (15 pts.)

MIDGET BOYS

100 Metre
Don Meharric (12.8), Greg Pearson, Dave McKay, Rob McLeod.

200 Metre
Don Meharric (28.8), Rob McLeod, Greg Newell, Jeff Graham.

400 Metre
Rob McLeod (1:03.8), Don Meharric, Trevor Powers.

800 Metre
Doug Schell (2:35.3), Paul Aggett, Gary Vanderstarren, Trevor Powers.

1500 Metre
Paul Aggett (5:16.5), Dave McKay, Gary Vanderstarren, Tim Wessell.

Top curlers receive trophies

Womens league winners who received trophies at the annual Haliburton curling club banquet were, from left: Phyllis Woodcock, Marla MacNaull, Ann MacNaull (Wednesday playoffs); Ann MacNaull, Jean Colliver, Dale Walker (Wednesday schedule); Bernice Ross, Terry Hartwick, Sandra Casey (Wednesday schedule); Laura Sutherland, Linda Beachli, Sheila Popple (Thursday).

Mixed play trophy winners receiving awards at the Haliburton curling club banquet last Saturday night were, from left: Merv Mintz, Doris Winter, Steve Colliver, Lynda Easton (playoffs); Ray Scott, Derelle Baker, Jack Burtch, Sheila Popple (division B winners).

Haliburton curlers wind up season

Haliburton and area curlers brought their season to an official close Saturday night with the presentation of trophies to rinks that came out on top in the regular season schedule and playoff rounds.

In the women's division, four trophies were presented. Winners of the Beall Trophy for the Wednesday evening ladies schedule was the rink of Sheila Elston, Sandra Casey, Terry Hartwick and Bernice Ross.

The Curry Trophy, for victory in the Wednesday evening playoff round, went to Phyllis Woodcock, Ann MacNaull, Barb Ramsey and Marla MacNaull. Winners of the first scheduled among the Wednesday

evening ladies were Jean Colliver, Ann MacNaull, Dale Walker and Helen Burk.

Taking top honours in the Thursday morning ladies league was the rink of Linda Beachli, Sheila Popple, Laura Sutherland, and Elaine Jackson.

Four trophies were also presented to rinks which did well in the Monday and Thursday mens league and playoff rounds.

The Hucal Trophy, for victory in the Monday mens regular schedule, was presented to the rink of Carl Wallace, Grant Wallace, Carl Heins and Barry Robertson. The rink was also victorious in the league playoffs, and earned the Varty Trophy.

In the Thursday mens league, winner and recipient of the Hughes Trophy was John Wilson's rink of Bob Johnston, Jack Fleming and Dave Bishop Jr.

The Thursday men's playoff round was taken by the rink of Dave Gray, Gary Bailey, John Sutherland and Mike Easton, who were presented with the Gilliam Trophy.

In mixed league action, the Tuesday schedule was won

by the rink of Ken Wilson, Dorothy Wilson, Gord Woolsey and Bunny Scott, who were presented with the Beachli Trophy.

The Elstove Trophy for victory in Friday league play went to John Beachli, Debbie Wilson, Len Pizey and Sheila Elston.

Winners of the mixed league playoff and awarded the Bank of Montreal Trophy were Steve Colliver, Doris Winter, Merv Mintz and Lynda Easton.

In division 'B', dubbed 'the best of the rest', the winning rink consisted of Ray Scott, Sheila Popple, Jack Burtch and Derelle Baker.

A new executive for the 1982-83 season was also approved by club members at the year end banquet.

John Wilson will serve as president, with Carl Wallace as vice president, Jane Johnston as secretary, Phyllis Woodcock as treasurer, Sheila Elston as ladies president, and Bob Deremo, Emily Larue, Bob MacNaull and Gord Woolsey as directors.

This year's president, Don Popple, will sit on the executive as past president.

Mens league winners receiving trophies at the Haliburton curling club banquet were, from left: Carl Wallace (Monday schedule and playoffs); Bob Johnston, John Wilson, Dave Bishop Jr., Jack Fleming (Thursday league); Mike Easton, Dave Gray, John Sutherland (Thursday playoffs).

Mixed league and playoff winners receiving trophies included, from left: Ken Wilson, Dorothy Wilson, Gord Woolsey, Bunny Scott (Tuesday league); John Beachli, Debbie Wilson, Len Pizey (Friday league).

District 5 Calorie Counters sponsor annual convention

Submitted

The Annual District 5 Canadian Calorie Counter Convention was held this past week-end at Wig-a-Mog Inn. There were 175 members registered from 17 clubs over District 5 covering an area from Toronto to Lennoxville, Quebec. Yvonne Stalkie of Ottawa, District 5 Director and Holly Cooper, Minden, Area 2 Director were the hostesses.

Members had time to greet old friends and meet new friends and once the business session was over, Leslie Orpana, nutritionist for the Haliburton, Kawartha, Pine Ridge District

Health Unit, spoke on diet and nutrition.

In the afternoon, Sharon Downey demonstrated cosmetics followed by Moira Fee and showed summer fashions, modelled by some of the members.

The awards ceremony on Saturday afternoon was the highlight of the convention. Pat Shaw of Haliburton, who lost 49 pounds over the past year, was convention queen. The runner up and brightest star was Linda Ducharme of Peterborough, with a loss of 45 pounds. The best teen loser was Julie Lancaster from Lennoxville, Quebec, and the brightest overall star

Happy Gang News

by Watson Anderson

This Monday morning had a little measure of gloom and chill to an amount that would not benefit the plant seedlings if they were put out into it. It is surprising how much potting soil (adding one part light mica and peat moss to one part garden soil) goes into this activity. Potting soil not only enhances the growth of young plants but by being half the weight, the plants are much easier to carry and if one is working with them much of the time that helps. And finally, 80 per cent of all the soil mixed goes into the flower bed, enhancing it a little more year after year.

On our morning walk we spied a tow truck towing a car, something that is surprisingly rare these days and this car did not seem to be damaged in any way.

In the afternoon the ladies, industriously helped by Martha Sibley and in the guidance of Kathy Carey, worked on the jigsaw patchwork of another quilt, and at the same time Charlie Storer, carpenter, took the boys in to make four more magazine racks.

That most remarkably talented, versatile and facetious comedienne, Nancy Picard, entertained the whole gang in the evening to the strains of her accordion. It was very generous of Nancy to do this and all we can do in return is say "thanks".

We have put out a hummingbird feeder primed with 'instant nectar', a hummingbird food that we were able to buy at Stedman's. We are glad to do this even if it may be a little early. The feeder is one bought from the Canadian Wildlife Federation and is listed in their catalogue.

Wednesday was one of those in-between days when one has to keep looking over the shoulder to find something that will make the day interesting. While doing this an away out idea occurred to us: unbitten to the effect that to keep Algonquin Park as free from forest fires as Queens Park it must be groomed just as well or even go further. On the same day the ladies in the guidance of Kathy Carey, pinch hitting for Ivy Shaw, made a huge bread pudding into which among other things, a dozen eggs, well beaten and a gallon of whole cow's milk but only 1 1/2 loaves of bread, and remember the ladies thoroughly wash their hands before every venture.

Thursday morning while we were fussing with plants, the wee tots of Victoria Street School, the kindergarten, invaded extendicare to give the Happy Gang a sample of their singing and then settled

down to a play period to do what pleased them. They were escorted by Bonnie Walling, teacher and Martha Lewis representing the mothers.

In the noon hour was the pot luck dinner of the Haliburton Senior Citizens' club held at the Dysart Community Centre and incidentally the unveiling of the bread pudding that everyone liked. There were only eight of us in that huge bus to be greeted by Les Hughes, the club president. It was a lovely meal of sumptuous food and with lots of superb coffee and tea and bread pudding.

The Rev. Rick Brewster of Allsaw Pentecostal Church and Marjorie Reddick conducted the devotional period Friday morning taken from the general epistle of James V. 1. exhorting all patience. Anyone watching a beaver at his dam or a robin building her nest will see patience glorified by our wild life. Like wildlife we also are creatures of God, an insignificant link in a divine plan. Rev. Rick is a superb servant of God and His son Jesus and nice to have at these services.

Three movies were shown in the afternoon, Ray Smith projectionist. 1. 'The Reason Why', a useless film because it contained obnoxious and quite uncalled for blasphemy. 2. 'The Cry of the Wild', the cry of protest by wildlife whenever civilization encroaches on their habitat with the various monster machines. 3. 'A Walk in the Forest' - prophetic?

Just imagine for a minute (no longer) the Happy Gang were the government. International policy dictates how much money we can legally print, (international law). Our economy must be made to fit that. To meet all expenses the only income is taxes. If that is not enough either taxes are raised or we borrow. The only reason any one, government or individual, borrows in that they are spending more than they make no matter how high their wages or taxes. The wage of money (interest) is dictated only by demand. If demand is high the wage it earns is high. It used to be the same for the wages of labour (the law of supply and demand) but labor added another factor - clamour, a factor ten times more effective than demand but that warps any economy and explains Canada's present predicament. There will never be any let up in that predicament while clamour rules. Don't you wish now that the Happy Gang could be in the saddle longer?

Irene Thurston and Cathy Hummel were among the local entertainers who performed to a large and appreciative audience at the annual Festival of Fun in Haliburton last Thursday night.

Senior League

by Bert Harrison

Saturday afternoon the Gideons came telling about their work getting Bibles through. We heartily support them. How about you?

We had another lovely service in the Chapel on Sunday night. Mr. and Mrs. Hudson from Horseshoe Lake took the first part of the service. Mrs. Hudson played, and Mr. Hudson read the lesson, and lead in prayer. Rev. Brubacher took over from there - a really interesting service. It was so nice to have the Brubachers with us again.

Monday morning we were down in the gym where they exercise us to keep us nice and slim. We watched three movies Monday night. These movies were really good to see.

Wednesday morning Rev. Wicks from Minden Gospel Church held service in the

chapel here. He took his text from Hebrews chapter four "Jesus said - Come unto me, all ye who are heavy laden and I will give you rest." Our girls came to sing and play - a real nice service. By the way, Fred Ballard came and entertained us fine. Played the piano, and the organ at the same time.

Wednesday night was games night once again. There were lots of ladies but not too many men.

Thursday afternoon the Lochlin U.C.W. ladies brought in a lovely lunch, and a beautiful birthday cake for those who had birthdays in April. We thank you ladies for going to all that trouble.

Thursday night we went to Haliburton to the Festival of Fun. Doris took the bus which she can really run. It was a real good show. We enjoyed every minute. They

did their parts real well, all who acted or took part in it.

Our manager is working hard, and has been here every day this week. We were wondering if it might be higher pay he seeks.

Mrs. Coburn and Mrs. Baron came this Friday afternoon to play and sing, and lead us in some very merry tunes.

God bless each little light that burns in an unexpected place, an altar in a darkened church and in a sad, sad face. God bless each little light and fan each flame and keep it bright, there is so much of darkness that we need each little light.

Parents should be tolerant

Both toddlers and teenagers often show defiance

by CATHERINE CLARK
Infant Development
Consultant

Independence and Defiance

No matter what you say to her, she talks back to you. When you tell her "no" she goes right ahead and does exactly what you told her not to do. More and more she denies your right to make decisions for her and favourite word is "no". Is this a defiant teenager or a contrary toddler? Well, either one actually.

Both teenagers and two-year olds go through the same process of growth called "exerting independence". Defiance is a normal part of social development. Most parents have to struggle to strike a balance with their child's independence assertions twice in her life. It takes real skill and practice to get a two-year old to do what you need her to do and, at the same time, preserve her growing independence needs.

Expressing defiance helps let her feelings out, so let the two year old have her say. Try giving her a warning to prepare her for something she dislikes. If she has had tantrums in the past when you interfere with her play activities, warn her that "in a couple of minutes it will be time to eat dinner", then go back to what you were doing even if she screams.

If she's still resisting, reflect her feelings: "you're having so much fun playing that you don't want to stop. I know it's hard to stop when you're enjoying yourself, but it's time to eat now". A talking child is much easier to deal with than one who expresses anger by kicking, screaming and biting. Your expressions begin to teach her how.

Act, Don't Argue

You've listened to her and you've talked to her, and

she's still not willing to cooperate. Now's the time to pick her up as coolly and friendly as possible. Don't lose your temper; your goal is to get her to do what you want, not to win a battle!

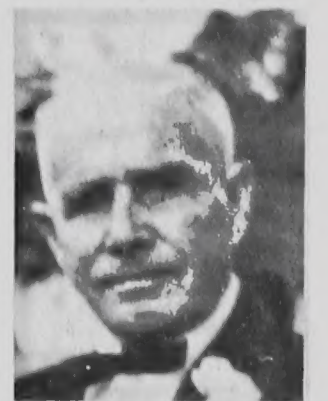

Try to make cooperation fun. Disguise your goal. A toddler who bitterly resents having her play interrupted may feel differently if it's

turned into a contest, especially if older brothers and sisters are included: "Let's see who can put all the blocks away fastest".

Sometimes you can avoid battles and encourage her independence at the same time. Whenever possible, give your toddler a choice to make on her own. "Would

Stanley Cooper, veteran, dies, was wounded at Vimy Ridge

Stanley Cooper

One of Haliburton County's last remaining World War One veterans died last week at the age of 85.

Stanley Arthur Cooper, of West Guilford, died at Peterborough Civic Hospital, Tuesday, April 27.

The late Stan Cooper was born November 1, 1896 near Cranberry Lake and moved with his family to a farm near West Guilford when he was a small child. Although only one acre of land was cleared when his father purchased the farm, Stan Cooper worked towards making the land a viable farm for most of his life. He worked in lumber camps during the winters and trapped during the spring and fall. As late as last autumn, the late Stan Cooper hunted at the family hunt camp on Little Kinnis Lake. He had hunted at the camp since he was 12 years old.

When the call to arms came at the outset of the first world war, the late Stan Cooper was ready to fight for his country but his age prohibited him from joining. In those early war years he was a member of the Home Guard at Niagara until he reached enlistment age.

He joined the 109th Battalion of the Victoria-Haliburton regiment and was sent overseas to join the 21st

battalion. During his service he was decorated with a military medal and bar. The late Stan Cooper was injured twice during the war, once during the famous Vimy Ridge battle. A piece of shrapnel remained in his lungs for the rest of his life. While not critically injured, he was convalescing in hospital when Armistice Day was declared.

Upon returning to Canada, he joined the Great War Veterans Association and was a charter member of the Royal Canadian Legion when the Haliburton branch formed in 1928. In 1978 he received his Royal Canadian Legion 50 year medal.

He was also a member of the Masonic North Entrance Lodge for 62 years, serving

DISTRICT NEWS

Wilberforce News

by Janet Barker

We've been blessed with yet another lovely week of balmy, sunny days when frosty temperatures have been confined to nighttime hours. There's been the odd mosquito buzzing about, but as of yet the absence of our spring scourge, the blackfly, has been most taken advantage of, and appreciated. Just to be sure this weather isn't just a pleasant dream that upon waking will reveal six-foot snowbanks, I keep checking the edge of my driveway from time to time to make sure. So if you notice someone simply gazing idly along the sides at all that beautiful bare earth with a peaceful expression, don't be concerned; I just want to make sure it's real!

With winter finally packed away for another year, this past Saturday evening was the ideal time to wrap up minor hockey by electing a new executive for next season. Interested individuals gathered at the beautiful new Gooderham Community Centre to enjoy a varied selection of dishes pot-luck style. Combining an enjoyable social period with the necessary business, the following members were chosen: Referee-in-chief: Gary Stoughton; Convenor: Everett Simpson; 4th V.P.: Ron Mintz; 3rd V.P.: Bruce Baumhauer; 2nd V.P.: Fran Thompson; 1st V.P.: Murray Agnew; Sec.: Treasurer: Sally Stoughton; President: Bob Anderson.

A number of trophies were

also presented to the outstanding players of the various age levels; congratulations to all the recipients: Jack and Marlene Detler received the Doug Hughey Memorial Trophy for the most outstanding dedication to minor hockey; Steven Coumbs was awarded the Ben Matthews Memorial Trophy for the most improved player in the entire league, and the Ron Mumford Trophy for the best goalie in the entire league, went to Steven Hunter. A special note of appreciation from all players, parents and interested fans goes to the outgoing members of the Minor Hockey Executive who gave so generously of their time and energy not only during the winter months, but over the entire year with various fund-raising activities: Marlene and Jack Detler, Chuck and Betty Irvine, Philip and Cathy Billings, Glen Storey, and Don and Ann Meharrie.

It'll be Fun night again at the Monmouth Library this Friday, May 7 at 7 p.m. Come out and enjoy, kids and kids at heart. A big thank you is extended from the Library and all those who use it, to Mrs. Della Outram whose obvious artistic talent is matched by her generosity in donating two fine paintings to grace its walls. Such representation of local flavour is always greatly appreciated.

There was no lack of practice this past week-end for

the Monmouth Volunteer Fire Department as they were called out three times Saturday afternoon in response to alarms. Gusto winds resulted in loss of control of grass fires in two cases, while the third was a grass fire of unknown origin. Natural Resources' fire

crews have already begun another summer of northern firefighting, so it's none too early to start being aware of the danger here in our own area. Be careful, especially if there's even a slight breeze. And when you put it out, make sure it's out - let's keep

Please turn to Page 11

They called themselves the Lochlin Sour Notes and no one was likely to argue about the aptness of the name, but it was all for a good cause. The ensemble, several more of whom sported similar attire (and vocal

attributes) performed at the annual Festival of Fun in Haliburton last Thursday night. The event raised funds for the local learning disabilities association chapter.

Guilford Pulse Beat

by Bill Wood

Hello again folks. Here's another week of news to bring you all up to date on the happenings in the area. A grass fire that went out of control, consumed the shed belonging to Merrill and Merrie Barry. The flames spread quickly through the shed. Merrill

was unable to save the shed or its contents, they were able to keep the Barry's home from being damaged by the flames. A tip of the "Good Neighbour" hat to all of the men of the Haliburton Fire Department for their quick and able assistance. We are all sorry to hear that Merrill lost the shed, tools, and other equipment to the flames.

Joan and Dan Humenick of West Guilford (Barry Line) were hosts to two ladies from Toronto last week-end. They were Anne Lawrence and Margo Swora. They worked with Joan at Bell Canada in Toronto before the Humenick's moved to our area a year ago. Dan now works for Bell Canada in our area. The Humenicks are glad that they have made their home in West Guilford. The Toronto gals really enjoyed their visit and are planning to return to the area soon again. A belated welcome, Joan and Dan, to the Guilford area.

Some young athletes from the area have been taking honours in the yearly track and field events at the Haliburton Highlands Secondary School. Barry Boice won a first and third ribbon on the track events he entered. Dave Nicholls copped two second prize ribbons for his prowess. Anthony VanLieshout took three firsts and a fourth with his speedy feet. Shane Yateman came in for a third prize ribbon. Bernie Upton's track shoes took him across the finish line for a

second prize ribbon. Bethany Wood's muscles brought her second prize ribbons in the discus, shot put, and javelin. She also took a first place ribbon in the girls 100 metre race. All these local youngsters will be going to Fenelon Falls for the next track and field competition.

The wedding dance held at the West Guilford Recreation Centre for Greg and Cheryl Cooper last Saturday, was a huge success. The young couple received many fine gifts and their guests enjoyed the fine foods, beverages, and dancing to the music of "The Centre Line" group from Haliburton.

A grand time was had by all the area people who attended the gala celebration.

Driving by the ball park at the Centre last Tuesday, I spotted several "ladies" who were "playing up a storm". The pitcher really impressed me with "her" fine style and delivery, but I think you have to stand a lot closer to the razor, Reg!

Saturday, Jean and I celebrated her 39th birthday again! I made her "Queen for a Day" by doing all the cooking and doing the dishes, my lady is just like a very fine wine, she just gets better with age.

Yvonne "Hopalong" Pritchard is back home from her holiday in Florida. She enjoyed the trip very much, and is looking forward to her "Coming Out" party June 8.

Kinmount Korner

by Millie Moss

It was so nice seeing little Carrie Mae Crego back home again, after undergoing heart surgery in Toronto. Now she's looking forward to her birthday party on June 16. May you have many more happy ones Carrie.

Welcome to our new next door neighbours Cindy and Jim Hill and their wee son Adam who moved in last week-end. Jason Moss was here for the week-end and lost no time in going over to make friends with the new little boy.

Joy Stange of Kinmount and her daughter Janice, now living in Toronto stayed over at the Royal York Hotel in Toronto recently while attending the Hostess Restaurant Show held once again this year at the Coliseum. Joy says she always enjoys the show and learns lots of the latest goings on in the restaurant business.

Win Wilson, Joyce Hills, Joan Hyams, Dot and Gladys Anderson, Margaret Kylie and I attended a business meeting at the home of Helen Jones in Kinmount, Wednesday, April 28 and

enjoyed the gathering very much. Plans for the Centennial of St. James Anglican Church were discussed along with future get togethers in the form of "work shops" to prepare for our bonanza bazaar this summer.

The Wednesday night euchre club at Galloway is now over until next fall and the final results of this past season, Wednesday, April 28, were: ladies' high: Louise Zandstra; ladies' low: Maxine Cross; men's high: Frank Franzen; men's low: Ken Young; most lone hands: Mitzi Alzner. The men's high for the year was Ken Young and the ladies' high for the year was Brenda Longhurst.

The happiest of anniversaries is wished to Shirley and Ron Newman of RRI, Coboconk, on Monday, May 3. It will be the thirteenth and Ron would just as soon forget this one!

Mr. and Mrs. Pat Molloy were week-end guests of Jack, Joyce, and Ernie Hills of RRI, Kinmount.

Some 14 friends arrived to wish Aileen Brown well, on her birthday, celebrated

Tuesday, April 27. Aileen, who makes so many beautiful cakes for other's special days, had one made for her by Mary Perry of Fenelon Falls. It was a happy time indeed and I'd like to add my own, though late, very best wishes for many more to come.

I enjoyed a chat with Noni Campbell last Thursday morning re: the Arts Festival coming up May/June, the theme this year being Arts, Old and New. If you have any handcrafts you'd like to show please get in touch with Joan Hyams at 488-2032 or myself at 488-2399. We'd like to put on a show to make our town proud so how about it folks? I know there's a lot of talent out there. There'll be more news later on about this Festival of the Arts Old and New.

Week-end guests of Clara and Ambrose Watson at their home, Howland Junction Road, were son Murray of Toronto, Philip and Bob of Oshawa, Mr. and Mrs. Bill Schrader and son John from Hamilton.

Norman Bamford is in Civic Hospital, Peterborough for surgery.

Results of St. Patrick's C.W.L. card party Tuesday,

April 27 are: ladies' high: Georgina Young, ladies' low: Clara Watson, men's high: Ambrose Watson, men's low: Ruby Holbrook, lone hands: Ambrose Watson. Aileen Brown's birthday was celebrated again with a cake at the card party.

Happy birthday, though belated, to Mary Martin Jr., April 28, Marguerite Scarlett, April 29 and to Jodie Mae Perry of Lindsay, also on May 29.

An enjoyable horticultural meeting was held at the home of Mary Martin Sr., Thursday, April 29 and the first business of the year got underway towards the yearly flower and vegetable shows.

An open house was enjoyed at the Kinmount Public School Thursday evening, April 29 and the presentation of Bill/82 was very informative.

To those of you who asked about our son Bill, thank you! Bill went to Ross Memorial Hospital, Tuesday, April 27, tests on the next morning and by ambulance to Peterborough on Friday for the scanner test. He may be home on Monday but to date we're not positive of the goings on.

Gooderham News

by Mary Hadley

What a glorious time of year with the long-awaited sights and sounds of approaching summer! Pine Lake became entirely free of its ice fetters April 28. The river, after overflowing its banks has now retreated to its normal level. The frogs in the ponds or swamps are now in full Pandean chorus. Winter buds are swelling and a tender green is beginning to envelope our deciduous trees. From our lakes is heard the ever-welcome call of the loon. Surely the magic and beauty of this season has been worth waiting for!

Our snow birds continue to return to their summer homes. This week we welcome Gladys and Aldridge Hunter who just returned after spending the winter months in Lakeland, Fla., and Mr. and Mrs. Jackson of Bowmanville whose cottage is on Trooper Lake.

Don't forget the foot clinic in the Community Centre May 20 in the afternoon. Phone Ivan Hunter at 447-2969 for your appointment.

Be sure to drop in at the Guild of Fine Arts and view, among other things, the art work of our school pupils. Included in this exhibit are interesting pieces done by some of our Gooderham students.

Last week registrations were taken of kindergarten pupils for the fall term. Among those entering the Gooderham school for the first time are: Reggie Haywood, Cory Gill and Jason Stamp.

With the hockey season now over, baseball has begun. The men of our community have formed a team and their schedule calls for their first game to be played at Celert on May 9 when they meet the Snowdon team. You can lend vocal support when they play home games each Sunday at 2 p.m.

Gary Cary, of Dwight, visited his parents, Mr. and Mrs. Albert Cary, over the week-end.

We are happy to know that the young son of Kathy and Philip Bellwigs has been able to return from hospital much improved and that Ken Webster expects to be home again soon.

The Wilberforce Minor Hockey League banquet was held in the Glamorgan Community Centre last Saturday night. A large crowd of players, officials, parents and friends attended. A pot luck dinner with an abundance of tasty dishes preceded the presentation of awards with Glen Storey as M.C.

In the novice division the most valuable player award went to Jason Billings who also won the top scorer award. Steven Coumbs was given the most improved player award for the novice group as well as for the whole league. Cory Hunter received the most sportsmanlike player award while all players on the novice team received the 1982 house league championship trophy.

In the atom division Marsha Sweet and Jeff Anderson tied for M.V.P. award while Jason Congois won the M.I.P. award. Top scorer was Murray Sweet while Scott Ellis won for most sportsmanlike behaviour.

Awards for pee-wees were given to John Paul Detler for M.V.P. and also for being top scorer; Bernard Storey for M.I.P. and Steven Stoughton for most sportsmanlike player.

In the bantam division, Steven Hunter, goalie, was awarded most sportsmanlike; Eoin Ross, M.V.P., Michael Rutter, top scorer; and Chad Irvine, M.I.P. All players in this group received the consolation championship.

Awards in the midget division went to John Thomp-

son, M.V.P.; Neil Madill, M.I.P., Craig Mintz, top scorer; Fred Agnew, most sportsmanlike. The whole team received the house league championship trophy.

Steven Hunter was judged to be best goalie in the league while Chad Irvine was chosen as the greatest fund raiser.

John and Marlene Detler were given the Doug Hughey trophy in appreciation of their dedication to the interest of the minor hockey league.

Each team presented a plaque to his coach for his untiring efforts to make the season such a learning and

happy experience. New executive for 1982-83 was chosen as follows: president - Bob Anderson; first vice president - Murray Agnew; second vice president - Fran Thompson; third vice president - Bruce Baumhour; fourth vice president - Ronnie Mintz; secretary treasurer - Sally Stoughton; Con-venor - Everett Simpson; referee and chief - Gary Stoughton.

The past executive wish to thank the ladies who helped in the kitchen and the Gooderham Recreation Board for their assistance in the success of this banquet.

Coboconk News

by Shiela Lake

Saturday, April 24 was the annual Shiloh Christian Centre graduation exercises.

Mrs. P. Boyd was at the piano and Faith Coates and Scott Cross sang a duet. Prayer was by Rev. G. McPhail. Moderator Rev. Daniel Breen offered congratulations and presentations to graduates were by A.C.O.P. and Rev. B.W. Cross. Certificates were presented to first and second year students. Valedictory Address was by Denise Rhadanizer. Hymns were sung by the congregation. Graduate diploma presentation was made by Gerald MacCauley.

Guest speaker was Rev. Wayne Dordall, pastor of Dryden Full Gospel Church. Benediction was by Rev. Winston Cross. The exercises took place at Faith Tabernacle, and at the conclusion a lunch was served to all. The graduation dinner was held the evening before at Shiloh Christian Centre, Fenelon Falls.

This April has been extremely dry, with only a couple of days rain. As a result our local fire department was out twice within the week to put out fires. Last Saturday, the 24, they

Please turn to Page 12

Guilford Pulse Beat

from page 10

Coming out of her cast, that is!

Another poor soul 'cripling' around the area is "smiling" Tom Adams. He injured a knee last week but isn't saying how it happened; better quit playing soft-ball with the ladies for awhile, Tom.

This is "Ontario Educational Week" and after reading so many articles on the reading ability of our high school graduates, it seems a shame that so many of these graduates are reading only on a Grade 8 level. University students are not doing much better. Can the blame be laid upon television? Do we blame the education system we have in Ontario? The parents? The students themselves? No! The blame cannot be laid on any one point or any individual group. The entire blame can only be that today's youths lack of interest in reading. I wrote a poem many years ago that sums it all up in two short verses.

Books on the Shelf

These books of knowledge on the shelf, Were put there to improve myself; If not read, then who is to know? That they are there, just for the show. The mighty knowledge these books contain, Written by scholars, but all in vain; If they sit gathering dust upon the shelf, The only one I'm cheating is myself.

Household hints of the week: Don't throw your old toothbrush away after it seems to lose its use. A worn toothbrush can be used to clean small places that can't be reached any other way. Example jewelry, rings, etc.; housewives would be wise to buy an inexpensive paint scraper for their own cutlery drawer. Comes in handy for scraping burnt-on oven spills, tar or gum from flooring, etc.

That's all for now folks, so God bless and take care until next week. Call me if you have any news.

EMPLOYMENT OPPORTUNITY

Shamrock Service Centre will be accepting applications for a Class "A" Mechanic till May 14, 1982.

Apply in person to:

Ross Mark, Shamrock Service Centre
Haliburton 457-2681

THANK YOU CANADA FOR 100 YEARS' SUPPORT.

our beautiful bush country beautiful.

Greetings and hearty wishes that you'll soon be 'back home' soon, to Jim Finney and Ted (Shag) Freeman, both of whom are currently in Peterborough hospital.

Apologies for omission department: last week it was mentioned in relaying the evening's events honouring Rev. Moore and Mrs. Smith, that they had been presented with a lovely wooden plaque bearing a representation of St. Margaret's Church. It should also be included, that they received a purse of money, and a copy of the Monmouth Centennial Book from Church members and well-wishers. We hope everything's going well in

their new home!

Saturday evening the Community Centre was the setting for a celebration of the marriage of the former Pvt. Toni Matthews, daughter of Dan and Arlene Matthews, to Corporal Ron Mt. Pleasant. They were married March 27 in Kingston, and received well-wishers from Brantford, Oshawa, Kingston and Peterborough at the joyful gathering Saturday, D.J. Bob Harris of Cardiff provided a variety of music to dance the evening away to, and guests enjoyed a cold buffet. The generous growth of a money tree was gratefully received by the young couple as they left the province Monday, to take up residence at their new posting in Wainwright, Alberta. Congratulations and all the best!

Chatting with Irene

by Irene Moore

Here we are into the merry month of May. A month of special days. It started off with May Day; you ask what that day is? When I went to school it was the day when the children cleaned up the school yard, then had a May pole and party; now I don't know what is done. Then came Mother's Day, now they call it Family Day. Why I don't know, for most families are scattered far and wide. Then comes Victoria Day, another holiday. How would it be if May was ended off with my birthday?

Today I wish to pay tribute to mothers. Moms are for when you need a patient listener who'll always take your part. Who'll keep important secrets locked tight within her heart...When you need a friend to help you out and cheer you if you're blue, to understand those special things that mean the most to you...When you need someone to share your joys and wish you many more...You turn to Mom...because she's shown that's just what moms are for.

Just don't forget that Sunday the 9 is Mothers Day.

Gaye Coneybeare and Eleanor Madill have been enjoying their holiday in Jamaica, but as always holidays must end.

Did you watch the programme on Sunday evening called "Paper Warriors"? I did and learned from the analysts what the Minden men have been telling me for years. The ships of our Navy number four or five to protect both coastlines; our aeroplanes are very old; our army is using trucks and tanks that they cannot get parts for; the men in the armed forces are becoming very discouraged, for they have no up to date equipment and not enough money to defend our country, let alone help with NATO. As it is right now Canada is a sitting duck if attacked. We can't call on our allies for we have not upheld our end of the agreement, so we are on our own, and it is time we all realized that. How many of our young people would know what to do if we needed them?

I'm sorry if you do not agree with me, but I feel that

the young men in Canada should at least do a two year stint in the forces, then they would at least have some idea of what to do if necessary. It would keep them off the streets and out of trouble.

Don't let us do what was done in World War II; give them a month's training, then throw them into the front lines. At least let them be able to defend themselves and Canada.

Miss Laura Bird of Toronto visited with her parents, Mr. and Mrs. Earl Bird, over the week-end.

My friends, do not be fooled by all this lovely weather. If you want to get outside be sure and do so; but do not put your house plants outside yet, or you will lose them. Just remember that they are used to a much warmer temperature than we are having yet.

Rhubarb Pie with a different touch: 2 cups chopped rhubarb, (cover with boiling water for 5 minutes); 1 cup sugar; 2 egg yolks (save whites for meringue); 1 tsp. butter; 1 heaping (tbsp. flour; 3 tsp. water. Mix all and put in an unbaked 8" pie shell. Bake at 350 degrees until custard is set and brown. Cover with meringue and brown lightly.

Mrs. Ethel Harrison who spent the winter with the Wm. Moores and last week in Lindsay with her nieces, has returned to her home beside St. Stephens Church for the summer months.

Now that we have all the local folk home from Florida for the summer, we keep telling them what an old fashioned winter they missed.

Pete and Shirley Davidson, of Toronto, also Bob, Barb and Tracey Davidson of Ottawa, all spent the week-end with Mr. and Mrs. George Davidson.

Don't forget the free foot clinic at the Cultural Centre the first Thursday of every month. Call 457-1391 for appointment.

There will be no more adult movies shown at the Common Room, this spring. The children's cartoons will still be shown at 7:15 p.m. on May 14.

By the way just remember to help the Flea Market this

month on the holiday weekend. If you have any donations call 286-1584 or 754-2270.

Well it seems that Minden "Disaster Area" managed to will all flood waters away in April. Even Prince Street was dry, and now there isn't any water even in the ditches.

This Thursday will be the

Please turn to Page 13

Farm News

The Smells of Spring

Anyone who lives in, or has driven through farming areas in the past week or so, will have noticed one of the characteristic odours of spring on the farm -- the smell of freshly spread livestock manure.

Every year the Agricultural Office receives calls from people wondering why there isn't a law to prohibit farmers from causing such terrible odours. Usually these calls are from some

new rural resident, who has recently moved from a city.

There is no law against a farmer spreading livestock manure on his land. And when we think about it, I don't think anyone would really want such a law.

For, if we never smelled livestock manure, we'd also miss being able to smell many of the odours we enjoy the most.

We would no longer be able to smell bacon and eggs

"A cocktail party is a place where alcohol removes the polish from the furniture and people."

I think we can safely say, without being accused of prevaricating, that the ice has finally gone out of our lake. It hung around for ages in blobs, on one side of the lake and then the other, depending on the direction of the wind. Before the ice had

all disintegrated there were fishermen out in boats, trying their luck and I heard they had some. I was hoping that they wouldn't upset as that water would be too cold to be endured for many minutes, but I guess there were no mishaps.

We have had some wildlife visitors in the village. There have been a pair of deer in the Paint Lake area, having been seen in Orrie Avery's yard on several occasions, and at the north end of the village a moose was seen roaming around, having been in Griffin's yard and elsewhere. We also have a pair of loons around in the lake, and giving out with their eerie sounds. Sounds like old times, as they were quite plentiful at one time, but once the motorboats become plentiful they seem to be scared away. It's too bad

as they are unique and fascinating.

Marcella and Hector McKay went on a trip to Oshawa to visit their son, Earl.

A recent visitor at the home of Ev and George Burk was Ev's brother, Charles Vanclief, from Kitchener, Ontario.

We extend the sympathy of the community to the family and friends of Dr. N.H. Parker who passed away last week in Hamilton, at the age of 85. Dr. Parker was from Tennessee and in later years lived in Hamilton. He and his family had a summer home on Otter Lake for many, many years and had a great number of friends and acquaintances in the community and will be sorely missed.

David McKey, who has been at home on a short holiday with his family and

friends has returned to Elliott Lake where he is employed.

There will be a rummage sale on Tuesday, May 18 in the Anglican Sunday School room at 7 p.m. Please call 766-2237 if you have anything to donate or contact any of the Anglican ladies.

A visitor in the village last week was Miss Ruth Tinkiss, of Bracebridge. Ruth is the daughter of the late Captain Will Tinkiss, who is a captain on the Lake of Bays steamers, the Iroquois and the Mohawk, that plied our lake for many years and brought passengers and freight to Dorset twice daily during the summer months. While here Ruth stayed with Mrs. Ruth McLennan of Paint Lake and helped celebrate John McLennan's birthday on Sunday, April 23. Belated best wishes, John.

ADULT EDUCATION at H.H.S.S.

Any adults interested in credit courses counting towards a diploma or upgrading courses for employment purposes, contact the Guidance Department at Haliburton Highlands Secondary School immediately.

Courses are available during the regular day school in computer, business, technical and academic fields.

Register now for September 1982.

Phone 457-2950 for an appointment.

H.D. Robinson,
Principal

Toddlers are independent

from page 9

you like to wash your hands in the kitchen or the bathroom?" Make sure either choice is acceptable to you.

On the other hand, don't ask a toddler's opinion when she doesn't really have a choice. If you ask her whether she wants to go to the babysitter's tonight or not she's likely to say "no". You would have to force her even after she has clearly asserted her wishes and this will almost surely cause a major battle because her autonomy is so clearly squashed.

Give her the chance to do things herself. The self-as-

sertion drive is especially evident at mealtimes. When she feeds herself, meals take three times as long as you'd like, the kitchen's a disaster and there's more on her than in her, but if you insist on feeding her you'll find her mouth clamped shut no matter how hungry she is. Encourage her to feed and take care of herself.

This weekly column on child development is provided by the Haliburton, Kawartha, Pine Ridge District Health Unit's Infant Stimulation Programme. Your comments and questions regarding issues in child development are invited. Write to: Infant Stimulation, c/o The Health Unit, Box 570, Haliburton, Ontario.

County wants wolf bounty

Haliburton County council has supported a resolution calling on the province to re-implement a wolf bounty.

The resolution, passed by the Carling Township and circulated to all municipalities in the province, cites increased predation by wolves as a reason for a province wide bounty.

Provincial support for wolf bounties was cut off several years ago, and since then, the issue has been a contentious one for many municipal

We have a date set for the Festival of the Arts: June 4 which is a Friday from 1:30 p.m. and we hope there is enough interest to carry it into the evening. If you can donate a little of your time to help get this show on the road please give me a call. Already I have the promise of a lot of local handiwork and it's not going to cost you a cent so how about getting involved?

Are you like me, cooking too much at any one time? Here's a little something to do with those left-over cooked carrots, (diced or mashed): 3/4 cup soft bread crumbs, 1 1/2 cups milk, 1/2 tsp. salt, 1/2 cup grated cheese, 4 tbsp. melted butter and 4 eggs. Soak the crumbs in heated milk. Add salt, butter, cheese, slightly beaten egg yolks and carrots. Fold in stiffly beaten egg whites. Bake in well-greased casserole in moderate oven (375 degrees F) about 45 minutes or until firm. Serve with a cheese or vegetable sauce.

A very happy fifty-sixth wedding anniversary is

wished for Irene and Dave McNamara on Wednesday, May 5. Then on Wednesday, May 12, happy eighty-third birthday to Dave McNamara. Happy birthday also to Ruby Schell on Wednesday, May 19 and to Robert John Pyke, again on a Wednesday, May 26.

The Scott Robertson's are back from their vacation. Mrs. Ruth Rutter and Garnet visited the Wayne Rutters at Wilberforce last Sunday.

May and Harry Basinger are back after a visit with relatives at Georgetown and Malton.

Ron Nesbitt and son of St. Thomas were week-end visitors of his mother, Mrs. F. Nesbitt.

terms as master and Steward of the Grand Lodge.

He also served on the former S.S. No. 2 and 3 Guilford township school boards and was a member of the Dysart School area board when it was first formed.

The late Stan Cooper is survived by his wife, the former Elva Sisson, his children, Toby West of Victoria, B.C., Adrian of Woodstock, Earl of West Guilford, Evel-

yn Bradley of Timmins, Sid of West Guilford and predeceased by Lorne of Mississauga. Also surviving are his sisters Shirley Sisson, Eileen Leek and Madeline Smyth. He was predeceased by one sister.

A special Legion service was held Friday evening. Funeral services were conducted Saturday in West Guilford with interment at Maple Lake United Church Cemetery.

Minden students honoured

Grade eight students from Archie Stouffer Elementary School in Minden captured 10 first place ribbons at the North Hastings Music Festival last Wednesday.

First place winners were Shelley Barnes, flute; Lori Bull, clarinet; Gail Barnhart, alto saxophone; Alex Little, tenor saxophone; Lori Coop-

er, french horn; Craig Burk, trumpet; Leigh Amyotte and Melanie Legge, clarinet duet; Gail Barnhart and Jodi Dillon, alto saxophone duet; Craig Burk, John MacKinnon, Kevin Cowan, Daryl Ward and John Ballantyne, brass ensemble.

The grade eight concert band tied for first place.

Glamorgan township holds April meeting

At a meeting of Glamorgan Township council on Wednesday, April 7, the following matters were considered: Welfare Payroll 82-3, in the net amount of \$3,129.19, was approved for payment.

General Voucher 82-3 was approved for payment with the exception of cheque number 240, the net amount approved for payment being \$65,937.70, including payment due to the Board of

Education as at March 31, 1982.

Minutes of the Recreation and Community Centre Committee, dated February 11, 1982 was accepted and approved as circulated.

Road Voucher 82-3 was approved for payment with the exception of cheque numbers 255 and 259, the net amount approved for payment being \$13,311.84.

Based on correspondence from the Ministry of Government Services dated April 5, 1982, that Ministry was requested to take the necessary action to correct the documentation in the Registry Office with respect to Instrument Number 6905 and resolution 82-5 will be proceeded with.

The application from Mike Graham was accepted for the position of Waste Disposal Maintenance Person, in accordance with resolution 82-76.

Council acknowledged a letter dated March 31, 1982 from C.J. Stoughton, and advised that further consideration will be given when reports are returned.

CN Rail was advised that the Township of Snowdon performs maintenance on the road and crossing in question and that any work should be performed in cooperation with that Municipality.

Application for re-zoning RZ82-2 was accepted and the amending by-law will be prepared.

Application for re-zoning

RZ82-1 was deferred until the Ministry of Municipal Affairs and Housing can be consulted for advice.

Lynn Craigmyle presented an offer to purchase for Part 19, R.D. 37 to Council and answered questions pertaining thereto.

The offer to purchase, dated March 19, 1982, in the amount of \$1,550.00 for Part 19, R.D. 37, Tax Registration file 77-3, was accepted subject to approval by the Ministry of Municipal Affairs and Housing, and the acting reeve and the Clerk were authorized to sign the offer to purchase on behalf of the Township.

By-law 82-7, a by-law to authorize the sale of land was passed.

J. Weldon McPhail, by-law enforcement officer, was authorized to attend the Contractor's meeting dealing with new regulations on sewage systems, at Haliburton, Ontario on Thursday, April 15, 1982.

The Fire Agreement between the Township of Glamorgan and the Municipality of Snowdon was approved as presented and the (Acting-reeve) and the Clerk were authorized to sign on behalf of the Township of Glamorgan.

The Clerk was authorized to attend the following meetings: Haliburton County Clerks' Association at Wilberforce, Friday, April 23, 1982; A.M.C.T. Zone 5 at Ennismore, Friday, April 30,

1982; A.M.C.T.O. Annual Conference at Toronto, July 4 to July 7, 1982, inclusive.

The resignation submitted by James Greenwood as member of the Recreation and Community Centre Committee, was accepted with regret and the Committee was requested to make a recommendation for a replacement.

The Recreation and Community Centre Committee was authorized to sponsor and supervise the annual Gooderham Horseshoe Days festival at the Glamorgan Township Park and Community Centre from Friday, July 30 to Sunday, August 1, 1982, inclusive.

Council met again April 20.

A number of matters concerning the Community Centre were discussed with the Architect, contractor and sub-contractor to determine causes of and remedies for certain concerns of members of Council and of staff. At the conclusion of the discussion, the Acting-reeve thanked the guests and business continued as follows:

Council accepted the grass cutting tender submitted by Blake MacDuff received April 19, 1982 at the Township Office for a total of \$5,410 subject to approval of the other boards. All extra work at the rate of \$7.50 per hour must be authorized before being carried out.

The By-law Enforcement Officer reported to Council

on a number of matters under his jurisdiction and discussion followed.

Council approved Building and By-law Enforcement Officer's attendance at the Municipal Law Enforcement Officers' Association Conference from October 17 to 20 and the Ontario Building Association from October 3 to 6. All out of pocket expenses will be paid by the Township.

A motion to advise secretary of the Land Division Committee that Council is actively pursuing the possibility of appointing a mem-

ber to the above Committee who resides in Glamorgan Township, was passed.

Council recommended application of consent H35/82 for approval subject to (1) that title to the existing roadway in lot 32 concession 4 and lot 33 concession 4, which appears to be owned by the applicant, be transferred to the Township of Glamorgan, (2) that the administration fee of \$50 be paid to the Township.

Cheque number 259 in the amount of \$72.49 was approved for payment.

Nurses Week set

"Nursing is..." is the theme on Nurses' Week and area nurses have many activities planned for next week to inform the public of the far-reaching and diverse activities encountered in a nursing career.

Scheduled from May 10 to 15, Nurses' Week provides an opportunity for the public to meet and talk to nurses about their profession and its role in the community.

During the week the following events are scheduled: Monday, a blood pressure clinic will be held at the Haliburton Bank of Commerce from 1 p.m. to 3 p.m. An RN will be available to take blood pressure. Tuesday evening, a lecture on the role of the RN and RNA will be

given by a representative of the College of Nurses at Wig-A-Mog Inn, 7 p.m. Wednesday is hospital open house day at the Haliburton Red Cross hospital. Thursday, a breast clinic will be held at the Family Medical Centre. An RN will teach women breast self-examination from 9:30 a.m. until 1 p.m. For appointments call 457-1212. Friday, a blood pressure clinic will be held at the Bank of Montreal from 1 to 3 p.m.

As well as saluting the contributions nurses make to the community, the week also marks the birthday of Florence Nightingale whose professional and innovative efforts are still models for today's nurses.

Chatting with Irene

from page 12

last week for the mini card parties until next fall. Last week's winners were: Cribbage - Lil Davidson, Isabel Harrison. Euchre - lone hands on a cut - Gladys Wruth, Alice Clark, Shirley Elcome. The pot luck supper for the group will be held on Thursday, May 13.

District #5 Convention of Canadian Calorie Counters

was held at Wig-A-Mog Inn on April 30 and May 1. By their programme they had a great convention ending off with awards presentations, social hour then awards banquet. Minden group are called the Slender Seekers, the Haliburton group are Slim Highlanders. If you wish to join in Minden call Holly Cooper.

Adios and take care now.

from page 5
automatic weapons are, for the most part, licensed for bona fide gun collectors and members of recognized gun clubs.

When questioned in the House of Commons on March 31, 1982, concerning the government's plans with regard to Bill C-451, Mr. Kaplan stated that he had read the bill, that he did not like it, and that it did not represent government policy.

Mr. Kaplan said that the government has no plans to proceed with new legislation to change the existing gun control laws, and this statement met with general favour and relief on the part of most Members of Parliament, and with the general public.

The Progressive Conservative party in Parliament supported the present gun control legislation on the government's pledge that it would not press for tighter legislation in the future. We feel that the present laws are adequate, that they offer sufficient protection to the public, and that they recognize the right of the average, responsible citizen to own and use shotguns and rifles in legitimate pursuits, such as sport-shooting and hunting.

A,H,M council meeting

from page 3
The B.I.A. was present.
The week of July 8 to 11 was declared as "OPP Appreciation Week" and the details regarding advertising will be compiled in cooperation with the Business Improvement Area Board of Management.

Council had no objections to D.R. Campbell's proposal to construct a road at no cost to the township over crown property in Lot 3, Concession V and install a culvert on private Lot 2, Concession V in the Township of Hindon.

Council concurred with the request from the Chamber of Commerce to install a single wide mobile 12'x32' on property owned by the Provisional County of Haliburton in Lot 1, Concession A in the Township of Minden.

Mrs. Fogg's in Carnarvon will be allowed to install six coin operated games in the same building as the Meat Market subject to the conditions outlined in By-law 81-17 and policy #40.

The Clerk-Treasurer was authorized to attend the A.M.C.T.O. Annual Conference in Toronto on July 4 to 7, 1982 and the provisions of policy #4 as amended shall apply.

Council had no objections

to a minor variance application made by Frank Payne to construct an enclosed porch and open sundeck 40' from the normal high water mark and an addition to his cottage 50' from the normal high water mark in Lot 19, Concession 2 in the Township of Minden.

Council reviewed various sections of zoning By-law 82-11 and the Clerk was directed to separate the objections received into those that will be satisfied as a result of the review and those that require further discussion.

Changes in Highway Traffic Act proposed

An amendment to The Highway Traffic Act, proposing a new vehicle registration system, was introduced in the Legislature by Ontario's Minister of Transportation and Communications James Snow.

Under the system, scheduled to begin on December 1, 1982, licence plates will stay with the owner, not the vehicle. Owners will keep the

licence plates currently on their vehicles, transferring them to new vehicles when their old models are scrapped or sold.

Along with this plate-to-owner concept, the government is also introducing a system of staggered renewals. This coming licence renewal period will be the last time motorists will have to stand in long lines in late

February to get their licence plate validation stickers.

Beginning December 1, 1982, motor vehicle registrations will be pro-rated on the birthdate of the registered owners and by 1983 will automatically come up for renewal on each owner's birthdate.

In the case of vehicles registered to a company, another renewal date may be selected, or several dates assigned for a certain number of vehicles in their fleet.

When it comes time to renew, owners will pay a single registration fee for all passenger vehicles and it will no longer be based on the size of the vehicle engine, as is currently the case. A lesser

single fee will be payable for passenger vehicles registered in northern Ontario. Owners of commercial vehicles under 3000 kg, mopeds and motorcycles will also pay flat fees.

The new motor vehicle registration system will also

enable MTC to deny a renewal of registration for motorists with outstanding parking tickets, or those who issue NSF cheques for vehicle-related transactions with agents or the ministry. Benefits will include the elimination of parking tickets

or summonses going to former owners of vehicles whose ownership wasn't transferred, as well as the ministry's ability to provide the public, police and courts with more accurate and reliable vehicle information.

Glamorgan holds regular council

from page 13

Cheque number 240 in the amount of \$103.30 and cheque number 255 in the amount of \$12.27, were approved for payment.

Council consented to vacation period June 21 to June 25 inclusive as requested by Clerk-Treasurer.

A special meeting of Council, called by the Acting-reeve to deal with planning matters, was held in the Council Chambers on Thursday, April 22, 1982.

Present were Brian Nixon, Abe Syed and Barry Crow, all from the Ministry of Municipal Affairs and Housing and John McDermott, Planner (Totten Sims Hubicki); Laurie R. McLean, Solicitor (McQuarrie, Hill, Walden, Chester, McLean); James E. Dewey, Pat Martin and Brian O'Donnahue from the Ministry of Natural Re-

sources.

The subject of discussion was by-law 80-14. Ministry of Natural Resources' staff stated the Ministry's position with respect to By-law 80-14 and made certain suggestions which, if implemented by Council, might satisfy the Ministry's requirements. McDermott re-stated his position from a planning viewpoint, and commented on the Ministry's suggestions. McLean stated her opinion and advised Council of certain alternatives which could be pursued.

County council minutes

from page 3

sider their decision not to apportion funds for the Haliburton County Social Planning Council. This organization is unique in that it is a voluntary body, working in the County's interest and has no other funding except from County Council. This matter is to be referred to the Budget Committee.

Reeve M. Fearrey reported on current concerns of

the Railway Retention Committee, which is comprised of Victoria County and members of Reeve R. Vick and himself for Haliburton County. He requested direction from County Council on decisions which might be requested at a meeting scheduled that evening, relative to possibilities of purchasing the rail line, and alternatively conditions of rail removal and ownership of the rail bed.

Wolf bounty backed by council

from page 12

councils in the northern part of the province.

Haliburton County council no longer pays a wolf bounty,

but Dysart et al council has continued to offer one, largely at the request of deputy reeve Harold Bannon, a former trapper.
